

It isn't about whips and chains  
and torturing of balls  
by leather clad women  
as your screams bounce off the  
walls.

No, it's about a simpler thing  
a simpler thing indeed  
that makes us do the things we  
do  
when we're before her on our  
knees.

A woman with long blonde hair is sitting on a pink, patterned sofa. She is wearing a black jacket and is in the process of putting on a white sock on her left foot. She is looking down at her foot. She is also wearing a watch on her left wrist and a bracelet on her right wrist. A black high-heeled shoe is visible on the floor next to her.

She is looking directly at the camera with a slight smile. To her left is a large red pillow. The background is a plain white wall with a framed picture hanging on it. And now I KNOW  
why you get hard

when you're down there

because THAT'S what  
Fem Dom REALLY is,
