

This dominant boss named Ms Metcalf
has LONG LONG meetings with her staff
and every male with whom she conferred
now KNOWS how to serve UNDER her!

Oh YES!
I enjoy
the HELL
out of
those
long
meetings!

That's when I
get to have
some real
"Face Time"
with my
subordinates!

THAT really
satisfies me
and lets
them KNOW
who the
boss is
around here!

And it's VERY
important that
they know who
the BOSS is,

ISN'T
it?

Now let's see
how Ms. Metcalf
conducts a

"Long Meeting"

Metcalf enterprises,
how may I direct
your call?

I'm sorry Maam, but
Mister Smith is tied
up at the moment!

He's in a VERY private meeting with his superior and he can NOT be disturbed!

I'm sorry Maam, but his
SUPERIOR called this
meeting and he HAD to
attend it!

Yes Maam, I;m sure
that what YOU need to
talk to him about IS
important,

but right now his
SUPERIORS needs are
MUCH more important!

NO Maam,
I don't KNOW
how long the
meeting will
last!

Sometimes his
superior isn't
too demanding
and they end
early,

and OTHER
times these
meetings can
go on ALL
night!

Yes Maam,
I'll give him the
message that you
called, Maam!

YES Maam!
I'll TELL him
that's it's
important!

Good day
to you TOO,
Maam!

BYE!

Your MOMMY called
Mister Smith and she
said it was important!

You may call her back
when this meeting is
over!

OK?

"YES
MISTRESS!"

But this MEETING
is FAR from over
Mister Smith

because your
superior
STILL isn't
pleased,

and she's
KEEPING you
here until
she IS
pleased!

Now PLEASE
your SUPERIOR
Mister Smith!

"YES MISTRESS!"

Yeah, I LOVE
those long
meetings!

I ALSO
love
fem dom
stories,

And THAT one
made me very
horny!

Did it make
YOU horny
TOO, slave?

**"YES
MISTRESS!"**

GOOD! Then
we'll have a
meeting about
it as soon as
I'm finished
working!

A LONG
meeting!
