

What **I** always thought when
I was like this

was I wanted so BAD to OBEY her
and say "Yes Mistress!"

When it's YOU
kneeling there
naked

"Looking At THIS"

what's going
through your
mind slave,

at moments
like this?

Do you stare at
it with LONGING,
this thing you're
DENIED

of having the
PRIVILEGE of
being inside?

Or are you
thinking about
what you've
always NEEDED
to do,

ever since
you were
young,

and can't WAIT
to worship it
with your mouth
and your tongue?

I don't know what
you're THINKING
but by the END

of you kneeling
there seeing
THIS sight

you'll do
what EVER
she wants
slave,

for the
REST of
your life!

WON'T
you?
