

Please Mistress, it's TORTURE
withholding the release I so
desperately seek

and only saying I can have it just
ONE time each WEEK!

Oh you POOR
thing!
I only let you
out and let you
cum ONCE a WEEK!

God, I bet you'd
LOVE it if I
said you can
cum EVERY day!
Wouldn't you?

Yes
Mistress!

Well here's a story
about a Woman with
an interesting way
to control HER males
cumming and keep
it at bay!

And EVERY day she
tries to make him
cum using her
HAND,
and he can cum
whenever he WANTS
to!

GOD, he's
one LUCKY
man!

So read this
story and let me
know if this
would be the end
of your "I only
cum once a week"
SORROW,

and if it
IS we'll
get started

"First Thing Tomorrow!"

What 's
WRONG
Honey?
Why are
you
CRYING?

I want to
cum so BAD
Mistress
but you
never LET
me!

That's not
TRUE Honey!
I try HARD
to make you
cum EVERY
night
before I
go to
sleep!!

I even get
you ready
to cum
for me
EVERY
morning as
soon as I
wake up!

YOU'RE
the one
who
chooses
NOT to
cum!

I give
you the
chance to
cum ALL
over my
hand
EVERY
night!

I even
ASK you

Do they HURT
Honey?

**OH GOD YES
MISTRESS!
THEY'VE
BEEN TIED
TIGHT ALL
DAY!**

Well, I'll untie
them if you tell
me to stop!

OR you can
CVM and
they'll STAY
tied until
this time
TOMORROW
night!

But you
ALWAYS
SCREAM
out

OH MY GOD
MISTRESS,
STOP!

DON'T you
Honey?

Yes
Mistress!

And don't
I ALWAYS
tell you
you can
cum?

Yes
Mistress!

So whose
fault is
it that
you DON'T
cum?

MINE
Mistress!

YES
Honey,
it's
YOURS!

SO, do you
want me to go
get the key
and let you
out?

No
Mistress!

GOOD! Now stop
your damn
bitching and go
clean my damn
kitchen!

Yes
Mistress!
