

Let me share with you
a story of my submissive
life

as a meek obedient
slave to my dominant
wife

She makes me serve
her naked like
this every night
of the week

and she STRICTLY
forbids me the
release that I
seek

until I prove to
her I've been
PROPERLY obedient
and meek!

So when she comes
home from work
after another
hard day

I greet her like
THIS on my knees
and I hear her
say

"I need you to
RELAX me Dear,
I've had one
fucked up day!"

And I'm SO

"Glad To See Her"

I whimper

"Yes
Mistress
Faye! "

and then
I follow
her to her
bedroom at
the end of
the hall

to relax her
and PROVE

that I AM properly
meek and OBEDIENT
and all!
