

She didn't have to TELL him
what she expected him to do
she simply made him watch
and then gave him a clue

You don't
need a
sound
track

to know
how pissed
she's at
HIM guys,

all you
have to
DO is

"Look In Her Eyes!"

Now think about
what she'll do
to him for
coming without
her permission!

YES MISTRESS!
