

I can't find any words

to truly explain

what it's like when your
Mistress

makes you share her pain

slave,

I've
started my
period so
GET

the way I
WANT you to
be

so at least
ONE male in
the world

will
finally
SEE

how bad
"that time
of the
month" is

by
SHARING it

"With ME!"

"Yes
Mistress!"

"I'm READY to
see what you
WANT me
to see

with both of
YOUR balls
tied as TIGHT
as can be!

And
they'll
stay TIED
and turn
blue

until MY
cramps
are
through

and I
better
NOT hear

any
COMPLAINTS
out of
you,

or I just
MAY go
and DO

the thing
that you
always
FEAR I
will do!

And you
SURE know
what THAT
is,

OOOOOH YES
slave,
DON'T
you?

"Yes
Mistress!"

"I'll share
and I'll cry
not ONE
single tear

oh God
Mistress,
DON'T do the
thing that
I fear?

Please
Mistress?"

Then
SHARE
with me!

Share till
the END
of my
"Time
of the
month"s
TIME

and I
PROMISE
you

MY balls

are gonna
be FINE!

"Yes
Mistress!"

"Thank you
Mistress!"

You're
welcome,
slave!
