

Chicken or beef? White bread or rye?

Ice cream for dessert or a big slice
of pie

but there can be OTHER choices a
Woman can give a submissive guy

I'll tell you
a short story
about CHOICES
a dominant Woman
can give
submissive men
like me and like
you

it's about
Mistress Sues
puppy and how SHE
gets HER puppy to
do what

"She LOVES Him To Do!"

I LOVE when
my puppy
kneels in
front of me
and he
BEGS and
he BEGS,

PLEASE
MISTRESS
UNCROSS
AND OPEN
YOUR LEGS?

AND
ALLOW
ME THE
PRIVILEGE
OF TOTALLY
PLEASURING
YOU

THE WAY
THAT YOU
LOVE AND
HAVE TAUGHT
ME SO WELL
TO DO?

OH GOD

BEGGING
YOU! PLEASE
MISTRESS
SUE?

And I say
"Yes slave,
you MAY!"
and he begins
licking
AT ONCE,
NO, he
SURE
doesn't
BALK,

because he
does NOT
want me to
pick up his
leash and
take him
OUTSIDE
for a
walk!
