

Don't bother your Mistress

with YOUR trivial woes

cause something came UP

while you ironed her clothes!

When you GIVE
her those
three things
hanging tween
your two legs

as you kneel
naked before
her and
FERVENTLY
beg

"Please make me
your slave and
train me to
serve"

"and limit my
orgasms to
only when
they're
deserved?"

She just may
say YES and
make it quite
CLEAR

what your
gift will BE

"For Christmas Each Year"

Is my
ironing
done,
slave?

"Yes
Mistress!"

"Mistress?"

WHAT,
slave?

"Serving you
Mistress makes
my cock get
so stiff,"

"and I KNOW
I shouldn't
bother you"

"but I was
wondering
IF"

"you'd let me
jerk off and
come on your
floor,"

"so my stiff
little cock
wouldn't BE
stiff no more?"

So she
thought
for a
while

and then
she left
him alone

and then did
some SHOPPING
with her new
smart phone!

So the next
day when UPS
came to her
door,

she
screamed,

GET
YOUR ASS
IN HERE

**AND
KNEEL ON MY
FLOOR!**

And he
told
her

"Yes
Mistress!"

as he obeyed
as he should,

his cock HARD
as a baseball
bat made out
of wood!

She
said,

I CAN
let you
jerk off

and
COME on
my floor,

but then
your little
cock

won't
be STIFF
anymore!

Then
you
won't want
to obey me

and
say
"YES
MISTRESS!" ,

no
MORE !

That's
WHY I've
decided

to
lock
you in
THIS,

So
now you
don't
have to
bother me
wondering IF

I'll
let you
jerk off
and COME

cause
serving
ME made
YOU stiff!

And the end of
his constant
STIFFNESS,
she holds in
her hand,

and
as far as
his COMING?

Well,
she has
a PLAN!

Cause her
Mom told her
"Honey?
You should
understand,"

"The longer
the WAIT,"

the more
OBEDIENT
the MAN!

So I strongly
suggest you
don't bother
her with

the problrm
you have with
your cock
getting
stiff!

OK?
