

Here's a VERY short story
that goes a LONG way
in explaining the lifestyle
some of US live each day

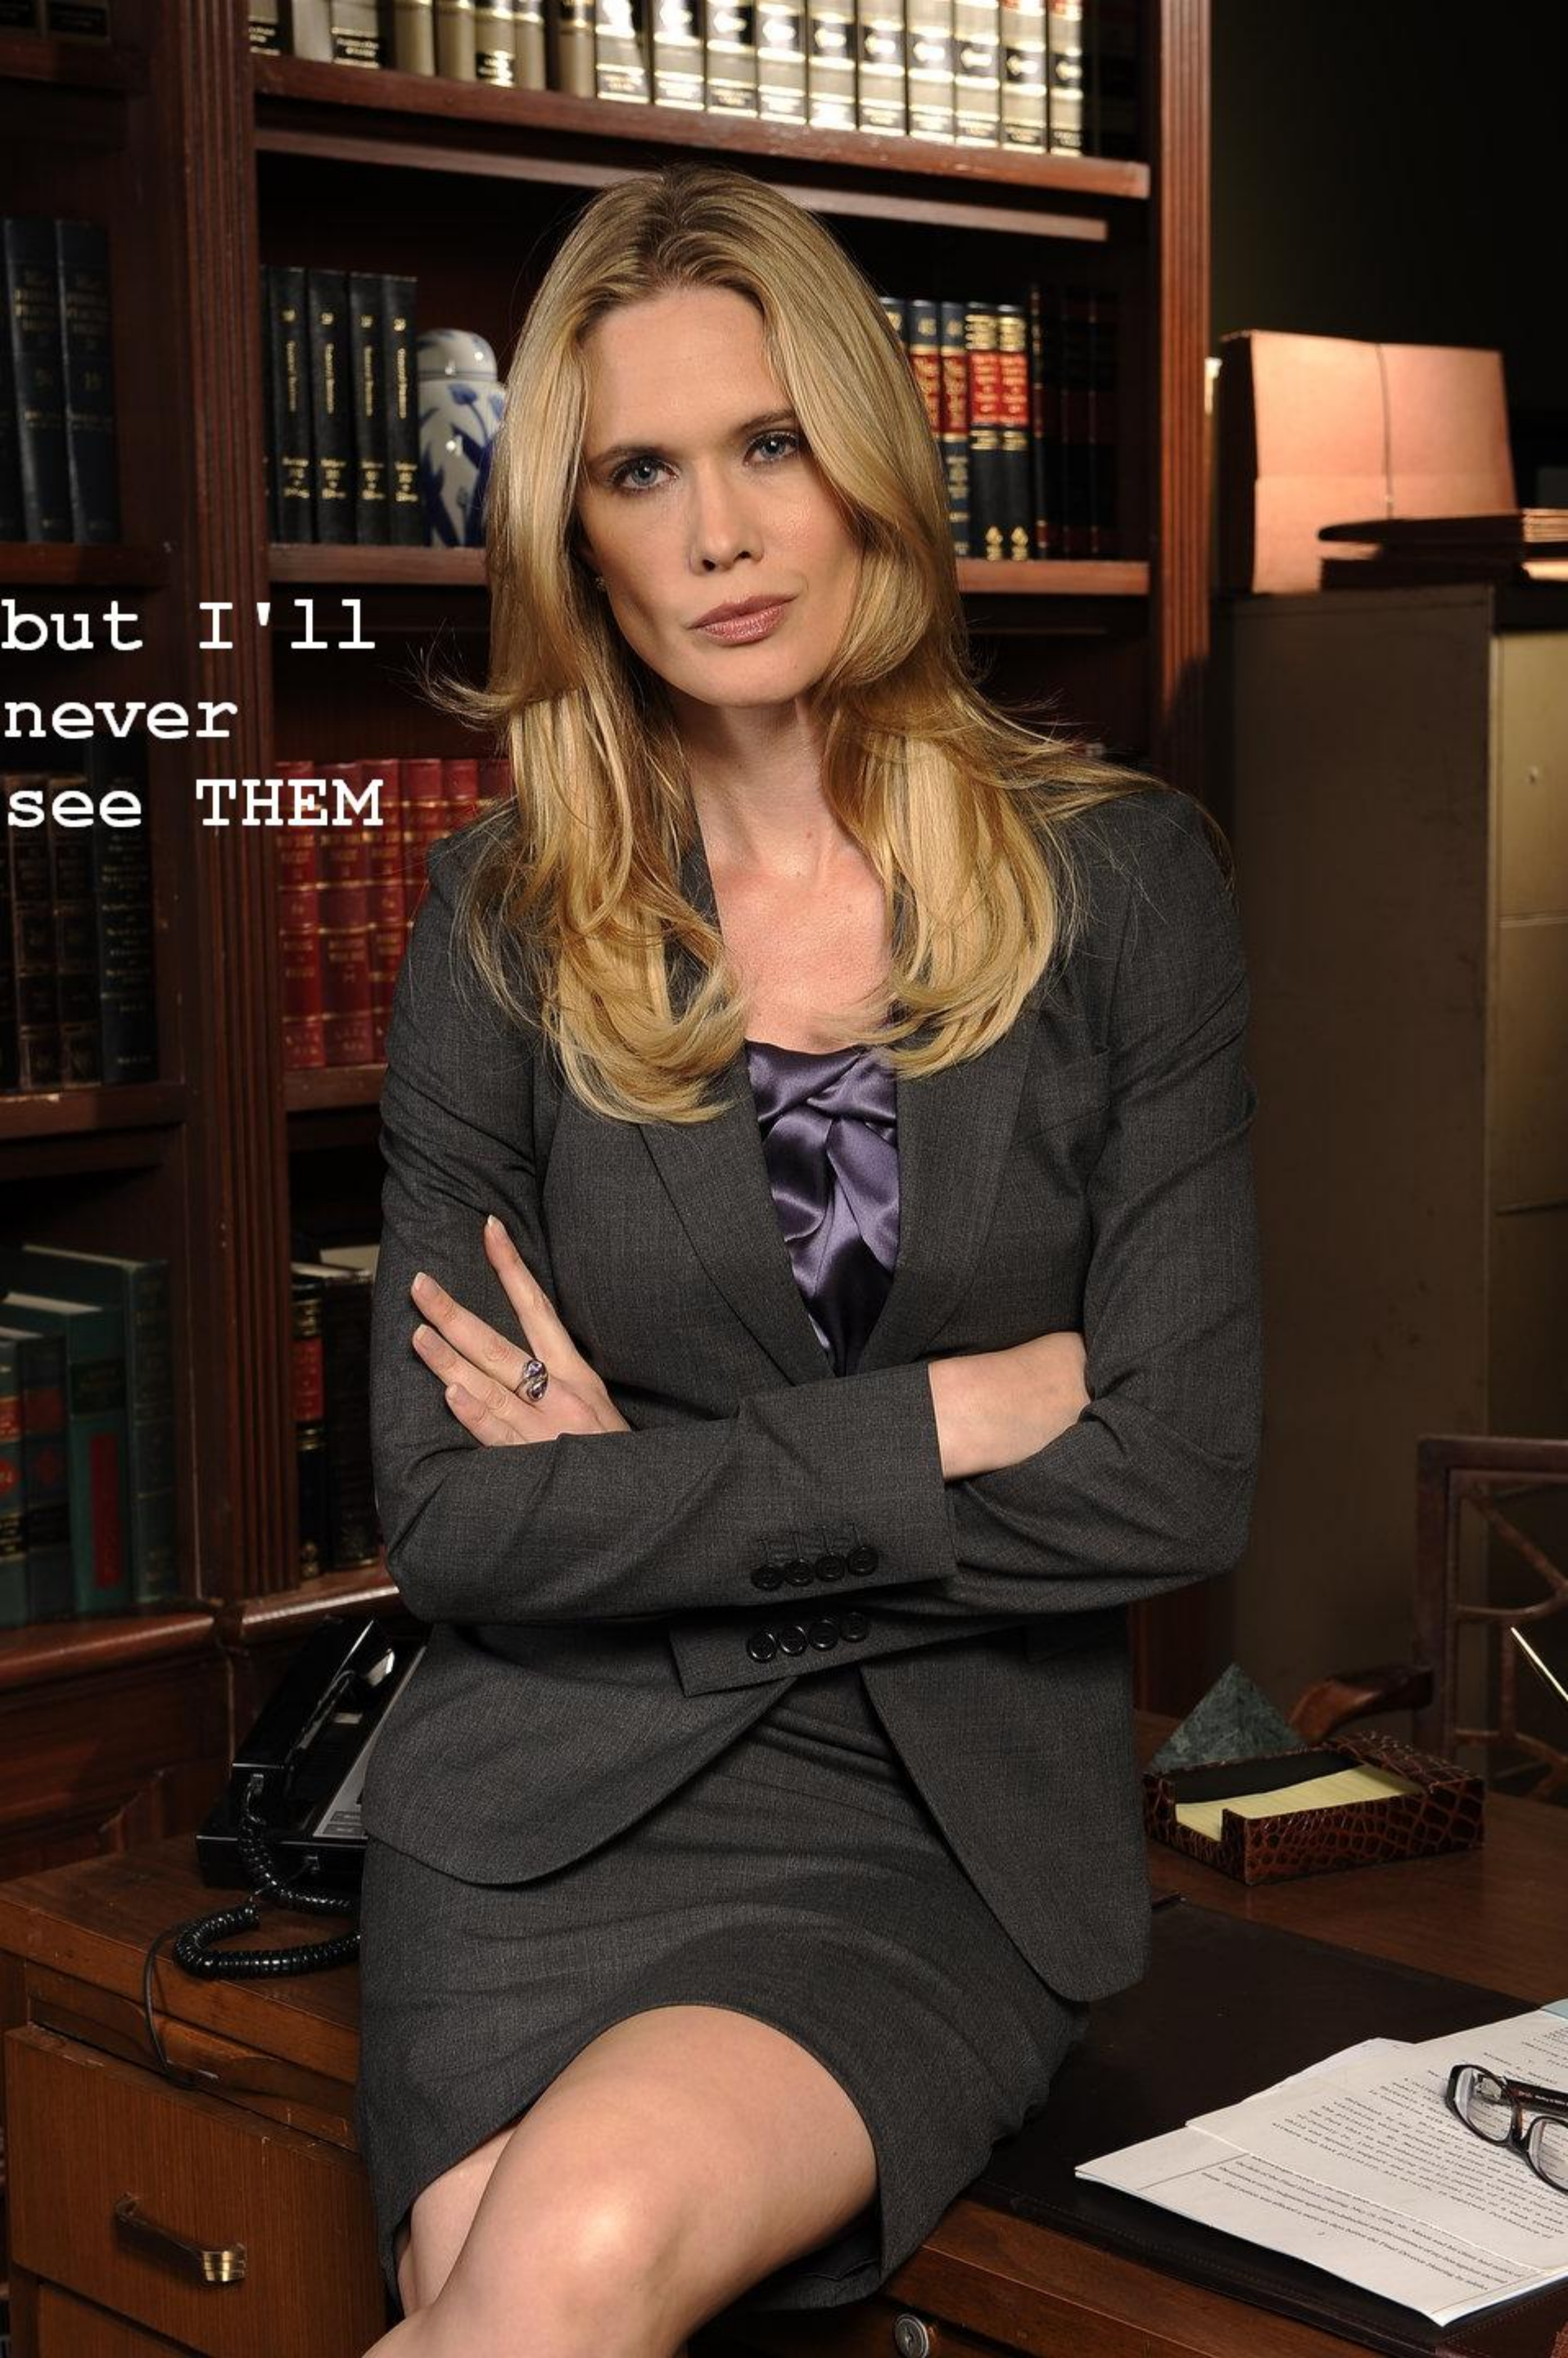

These
Fem Dom
devotees

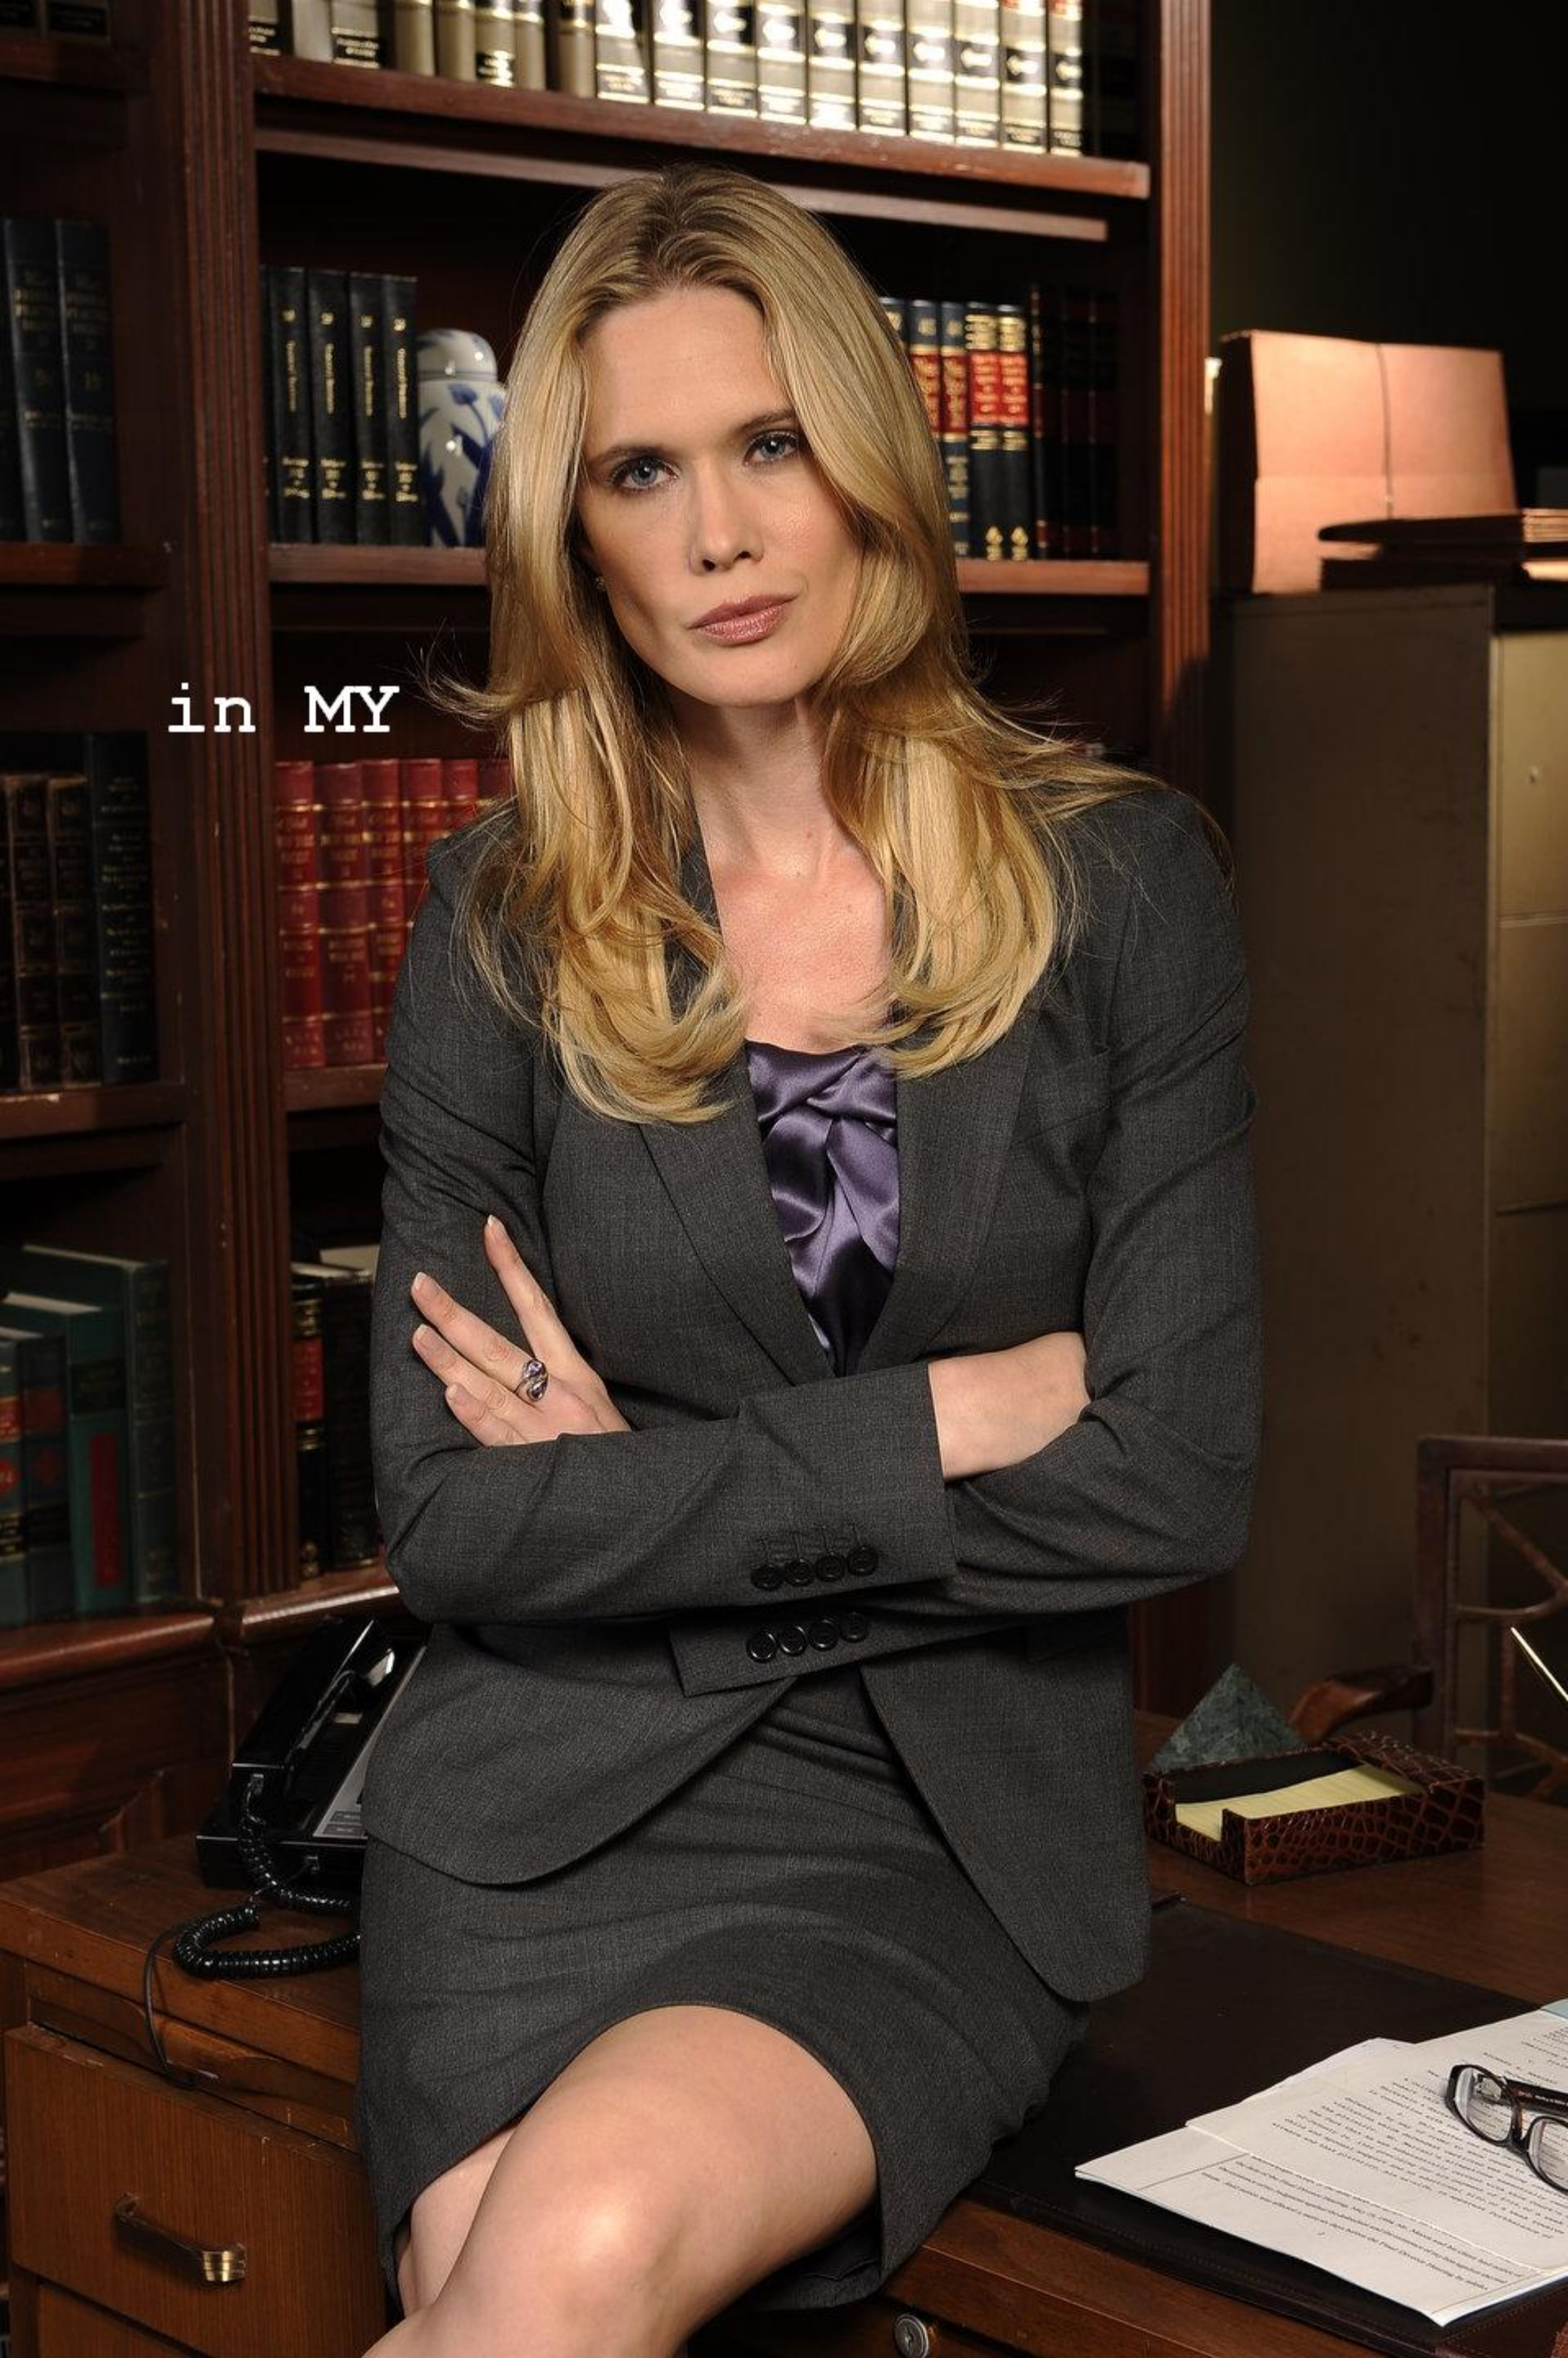

they may
seem a
strange
sort,

but I'll
never
see THEM

in MY

"Divorce Court!"

What do you
want to do
today, Honey?

"What YOU want
me to do,
Mistress!"

Are you
SURE,
Honey?

"Yes
Mistress!"

GOOD !

Then that's
what you'll
do!

"Mistress?"

What,
Honey?

"I love you,
Mistress!"

I love
you TOO,
Honey!

ALOT!

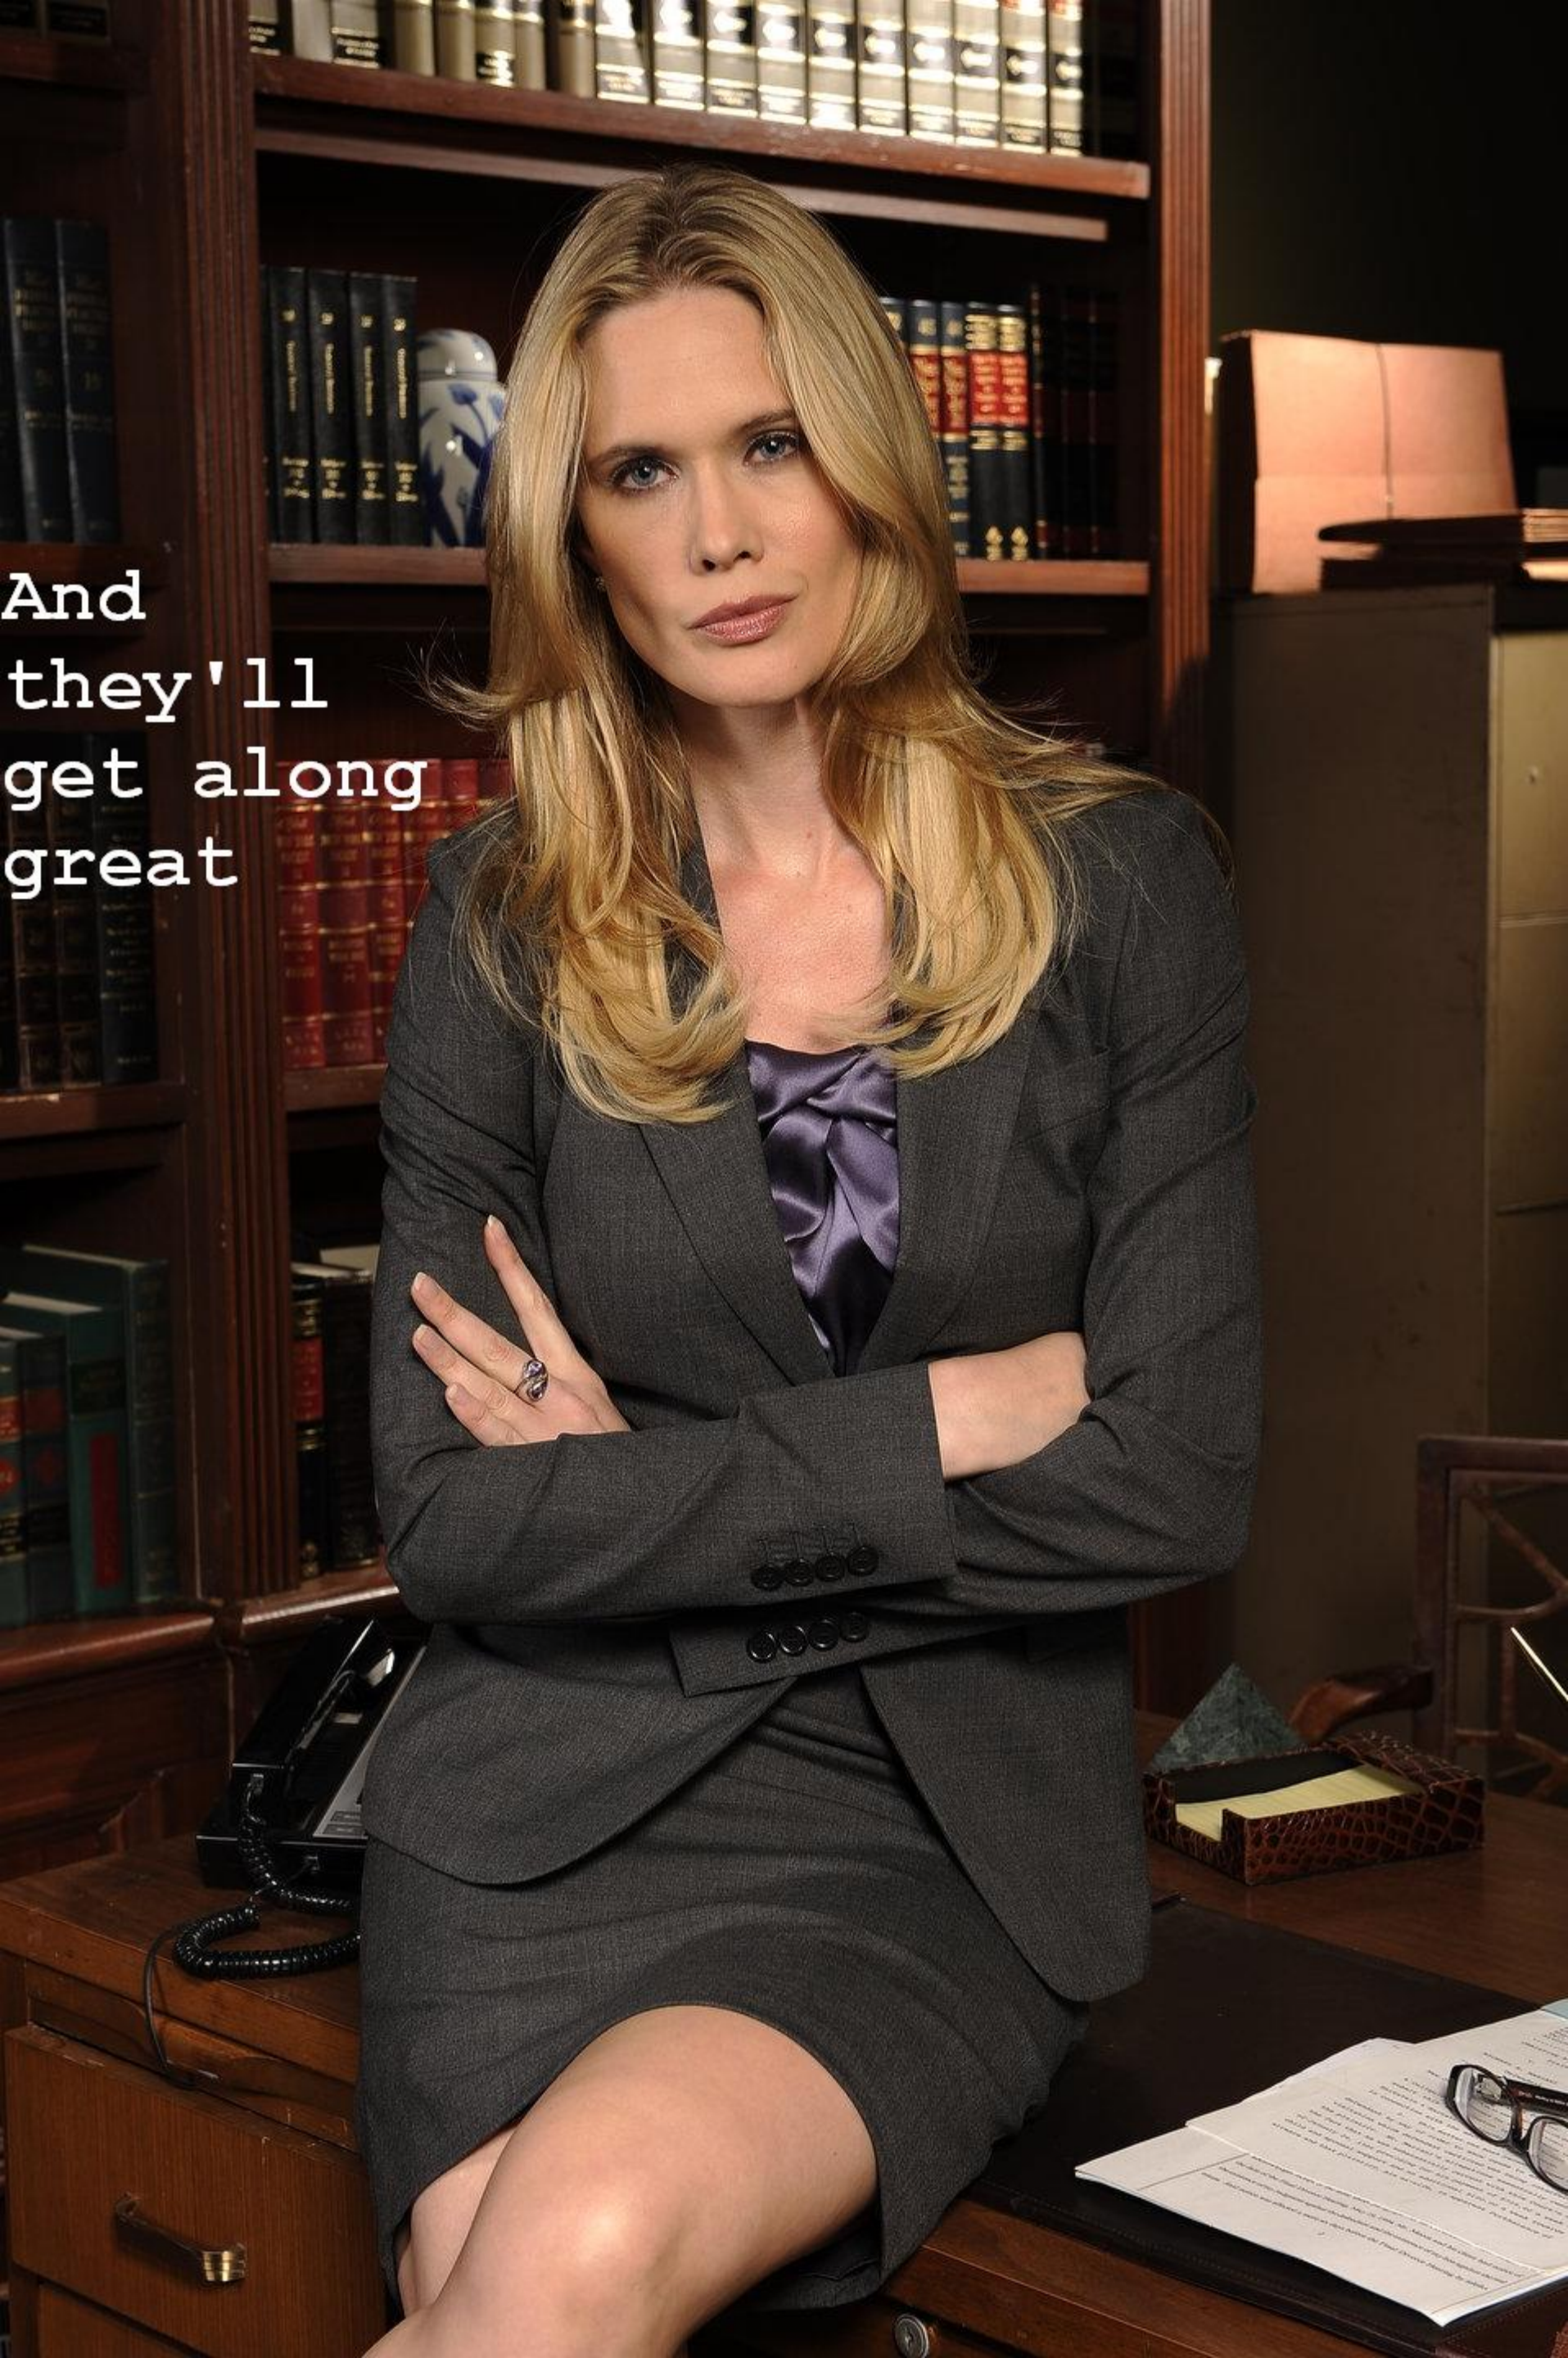

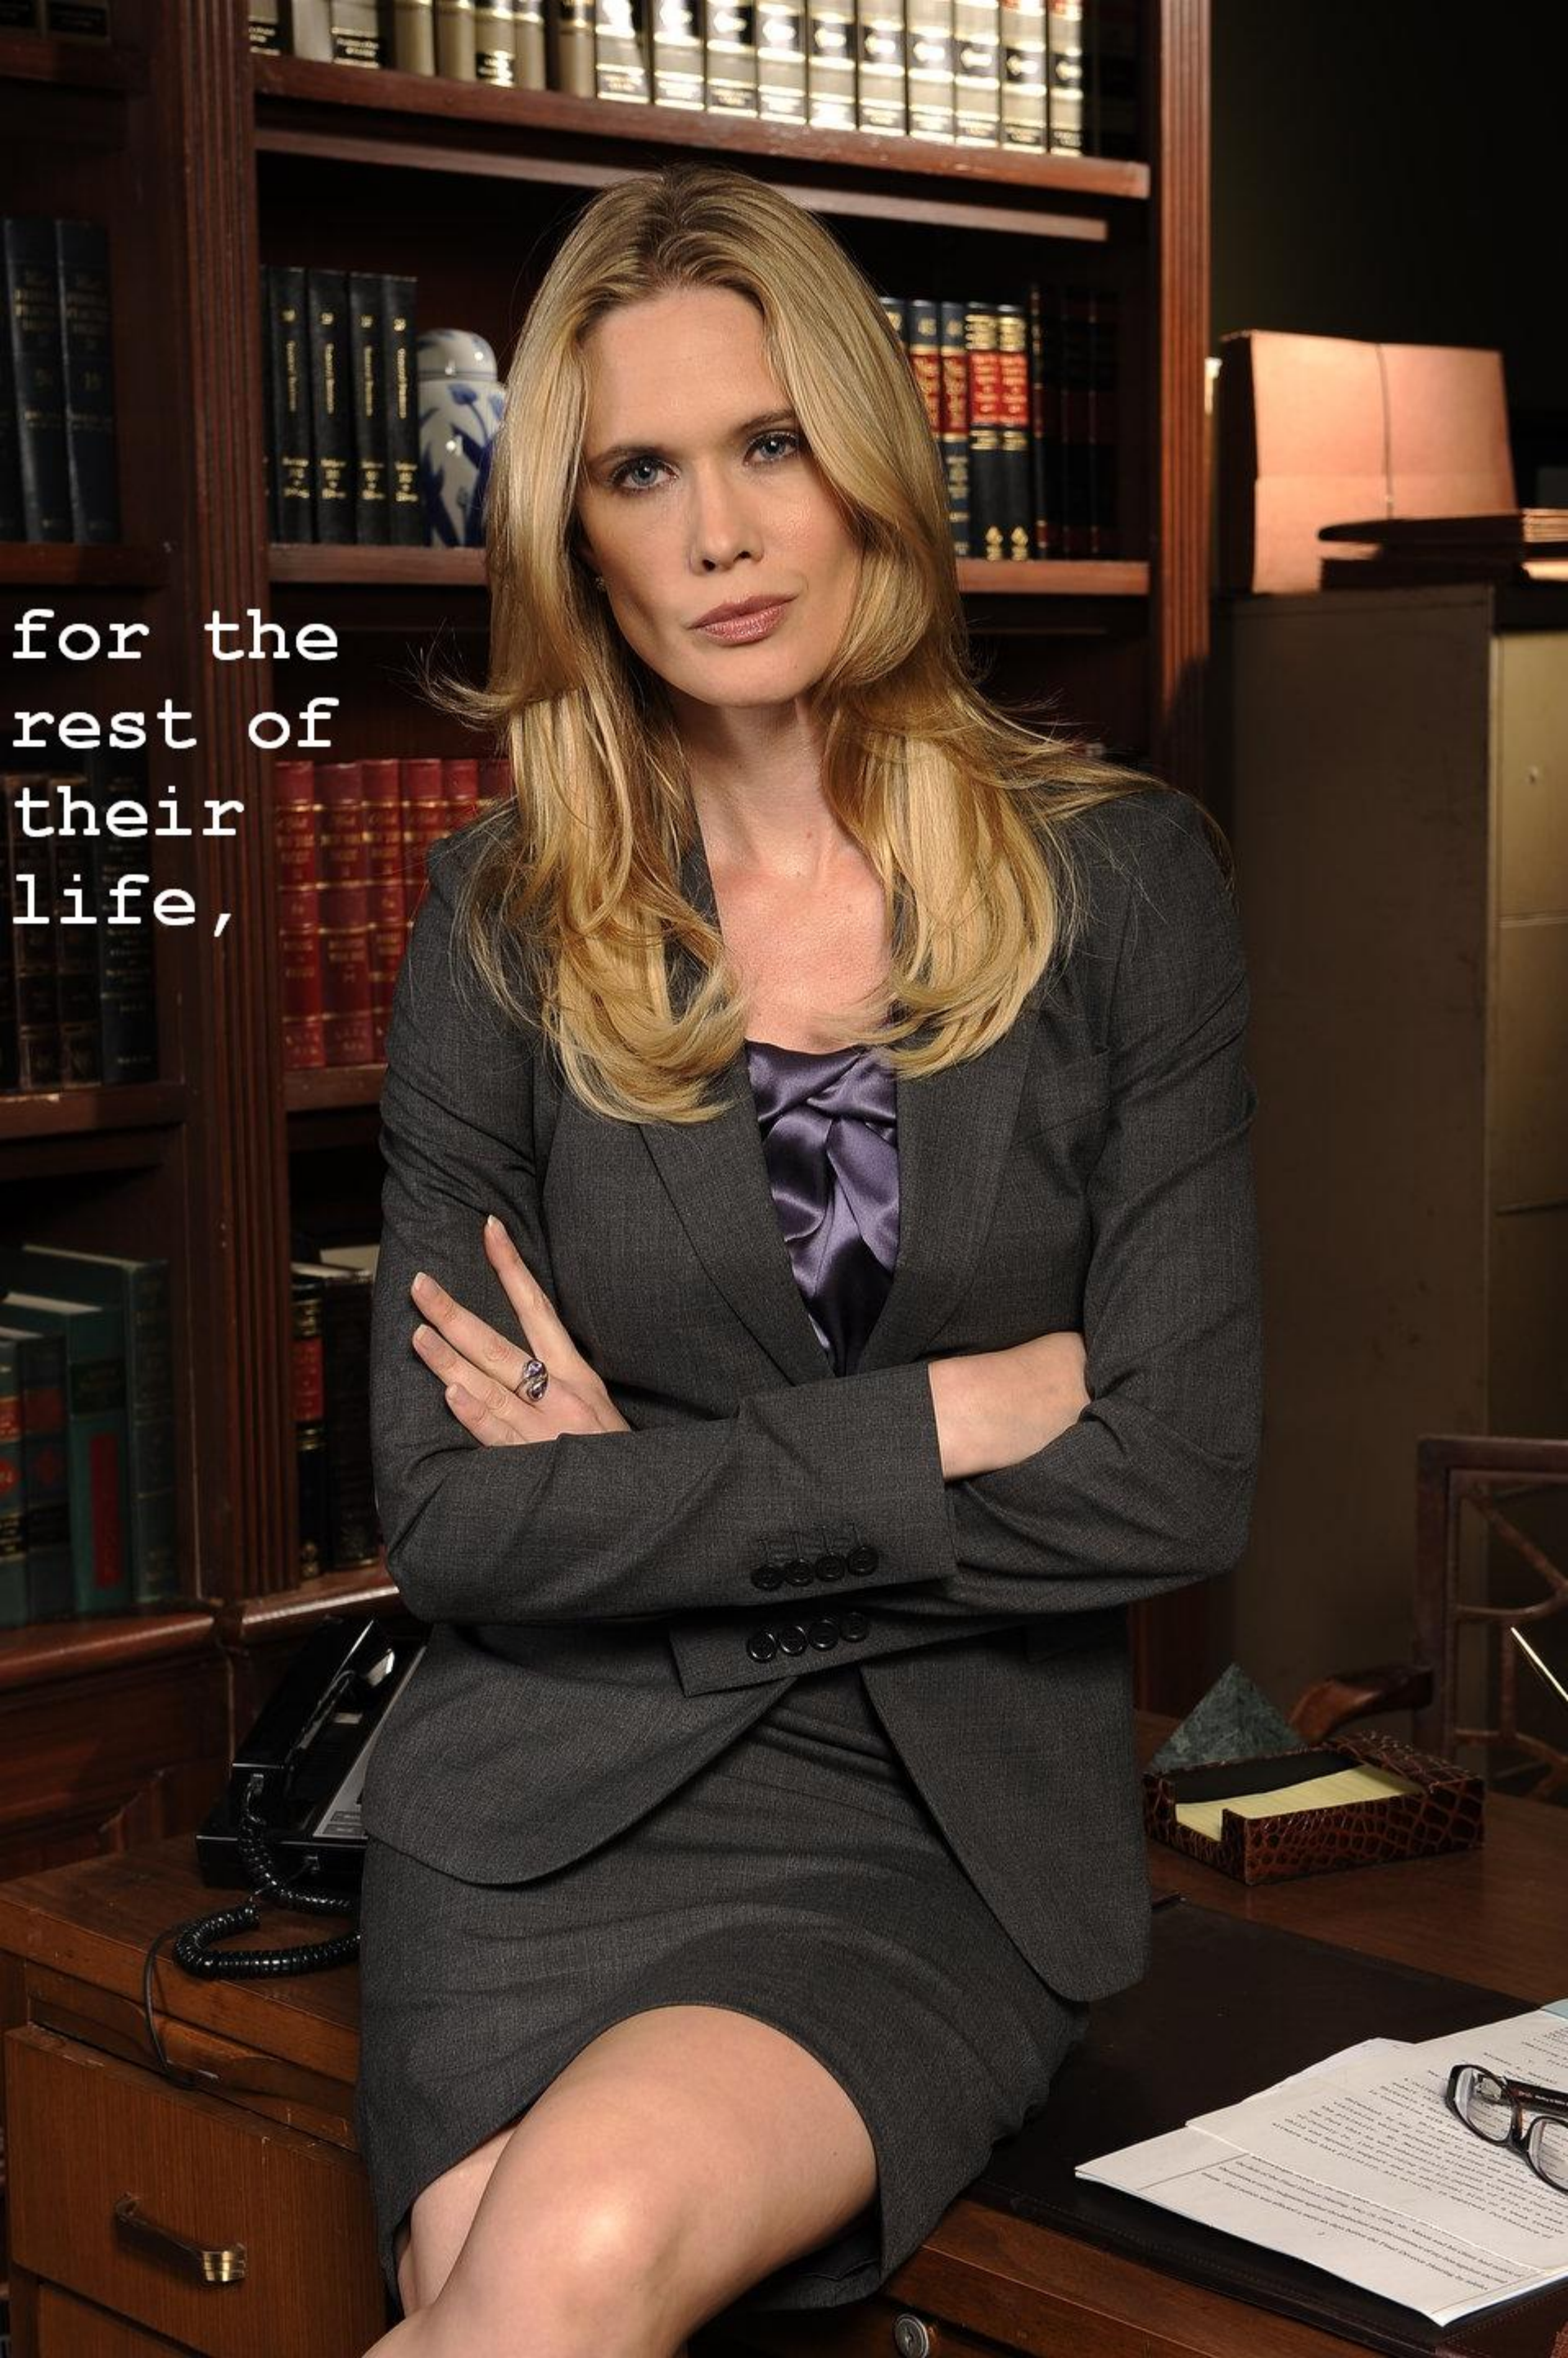

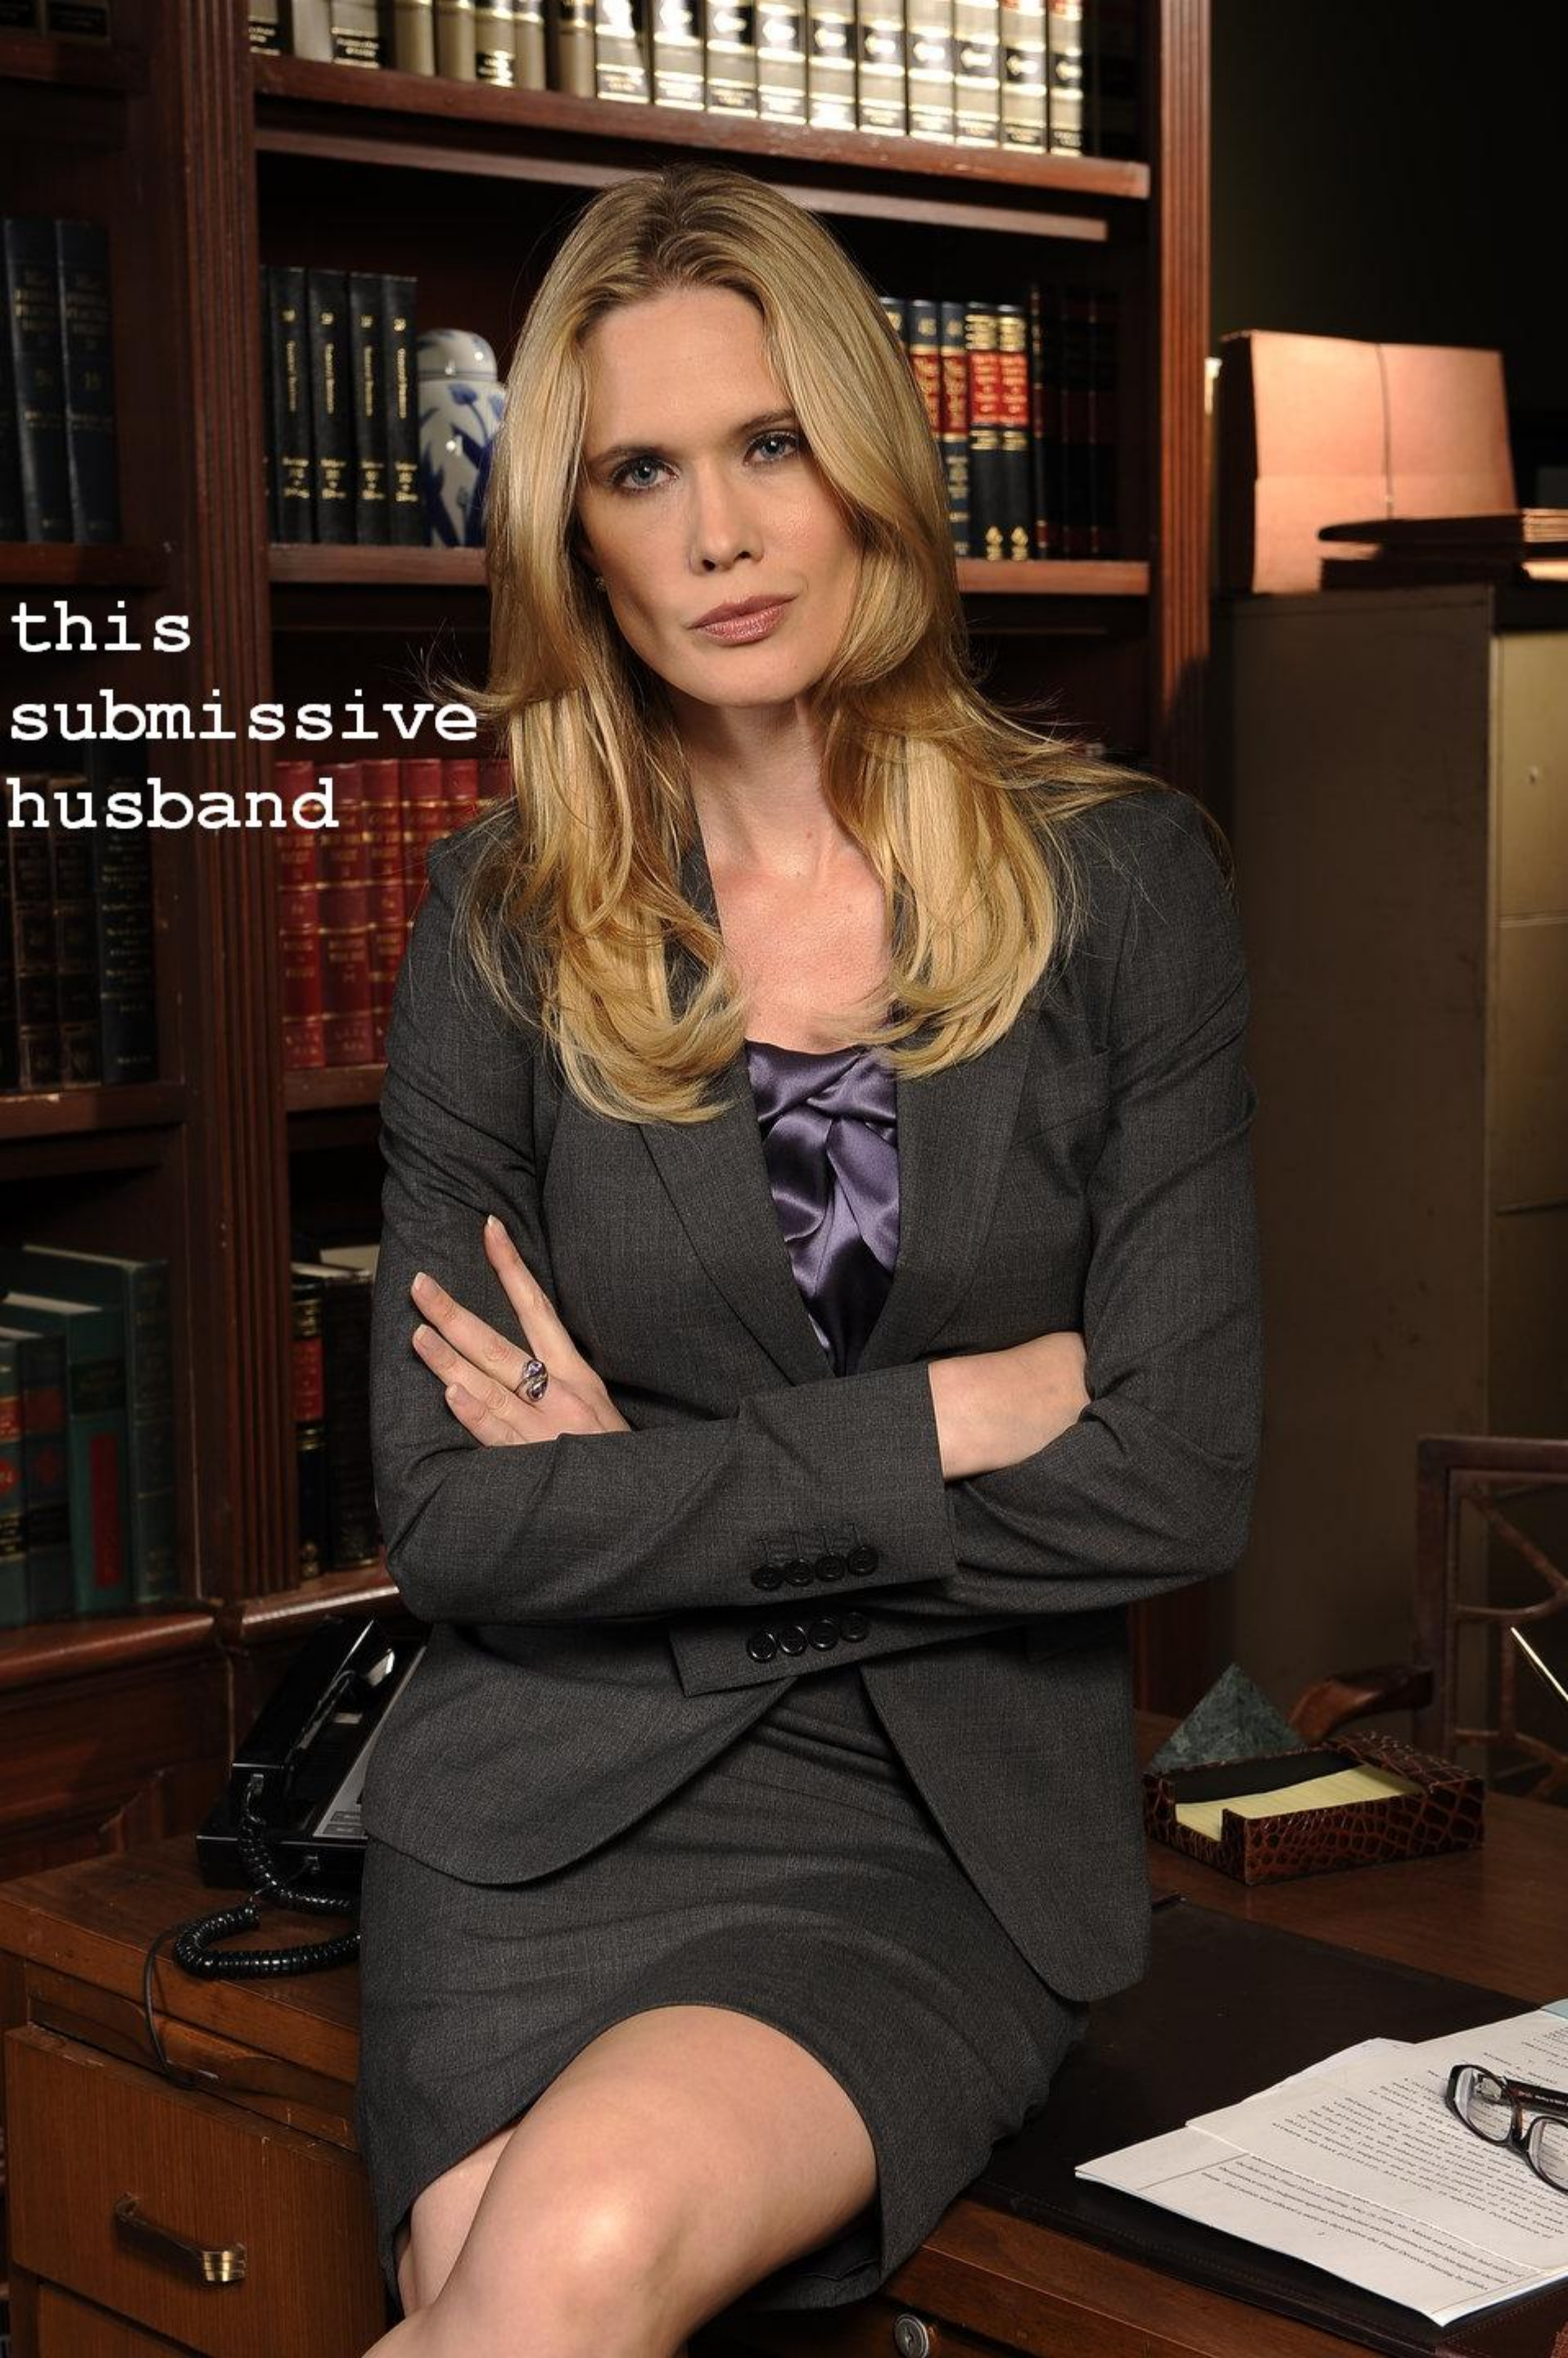

And
they'll
get along
great

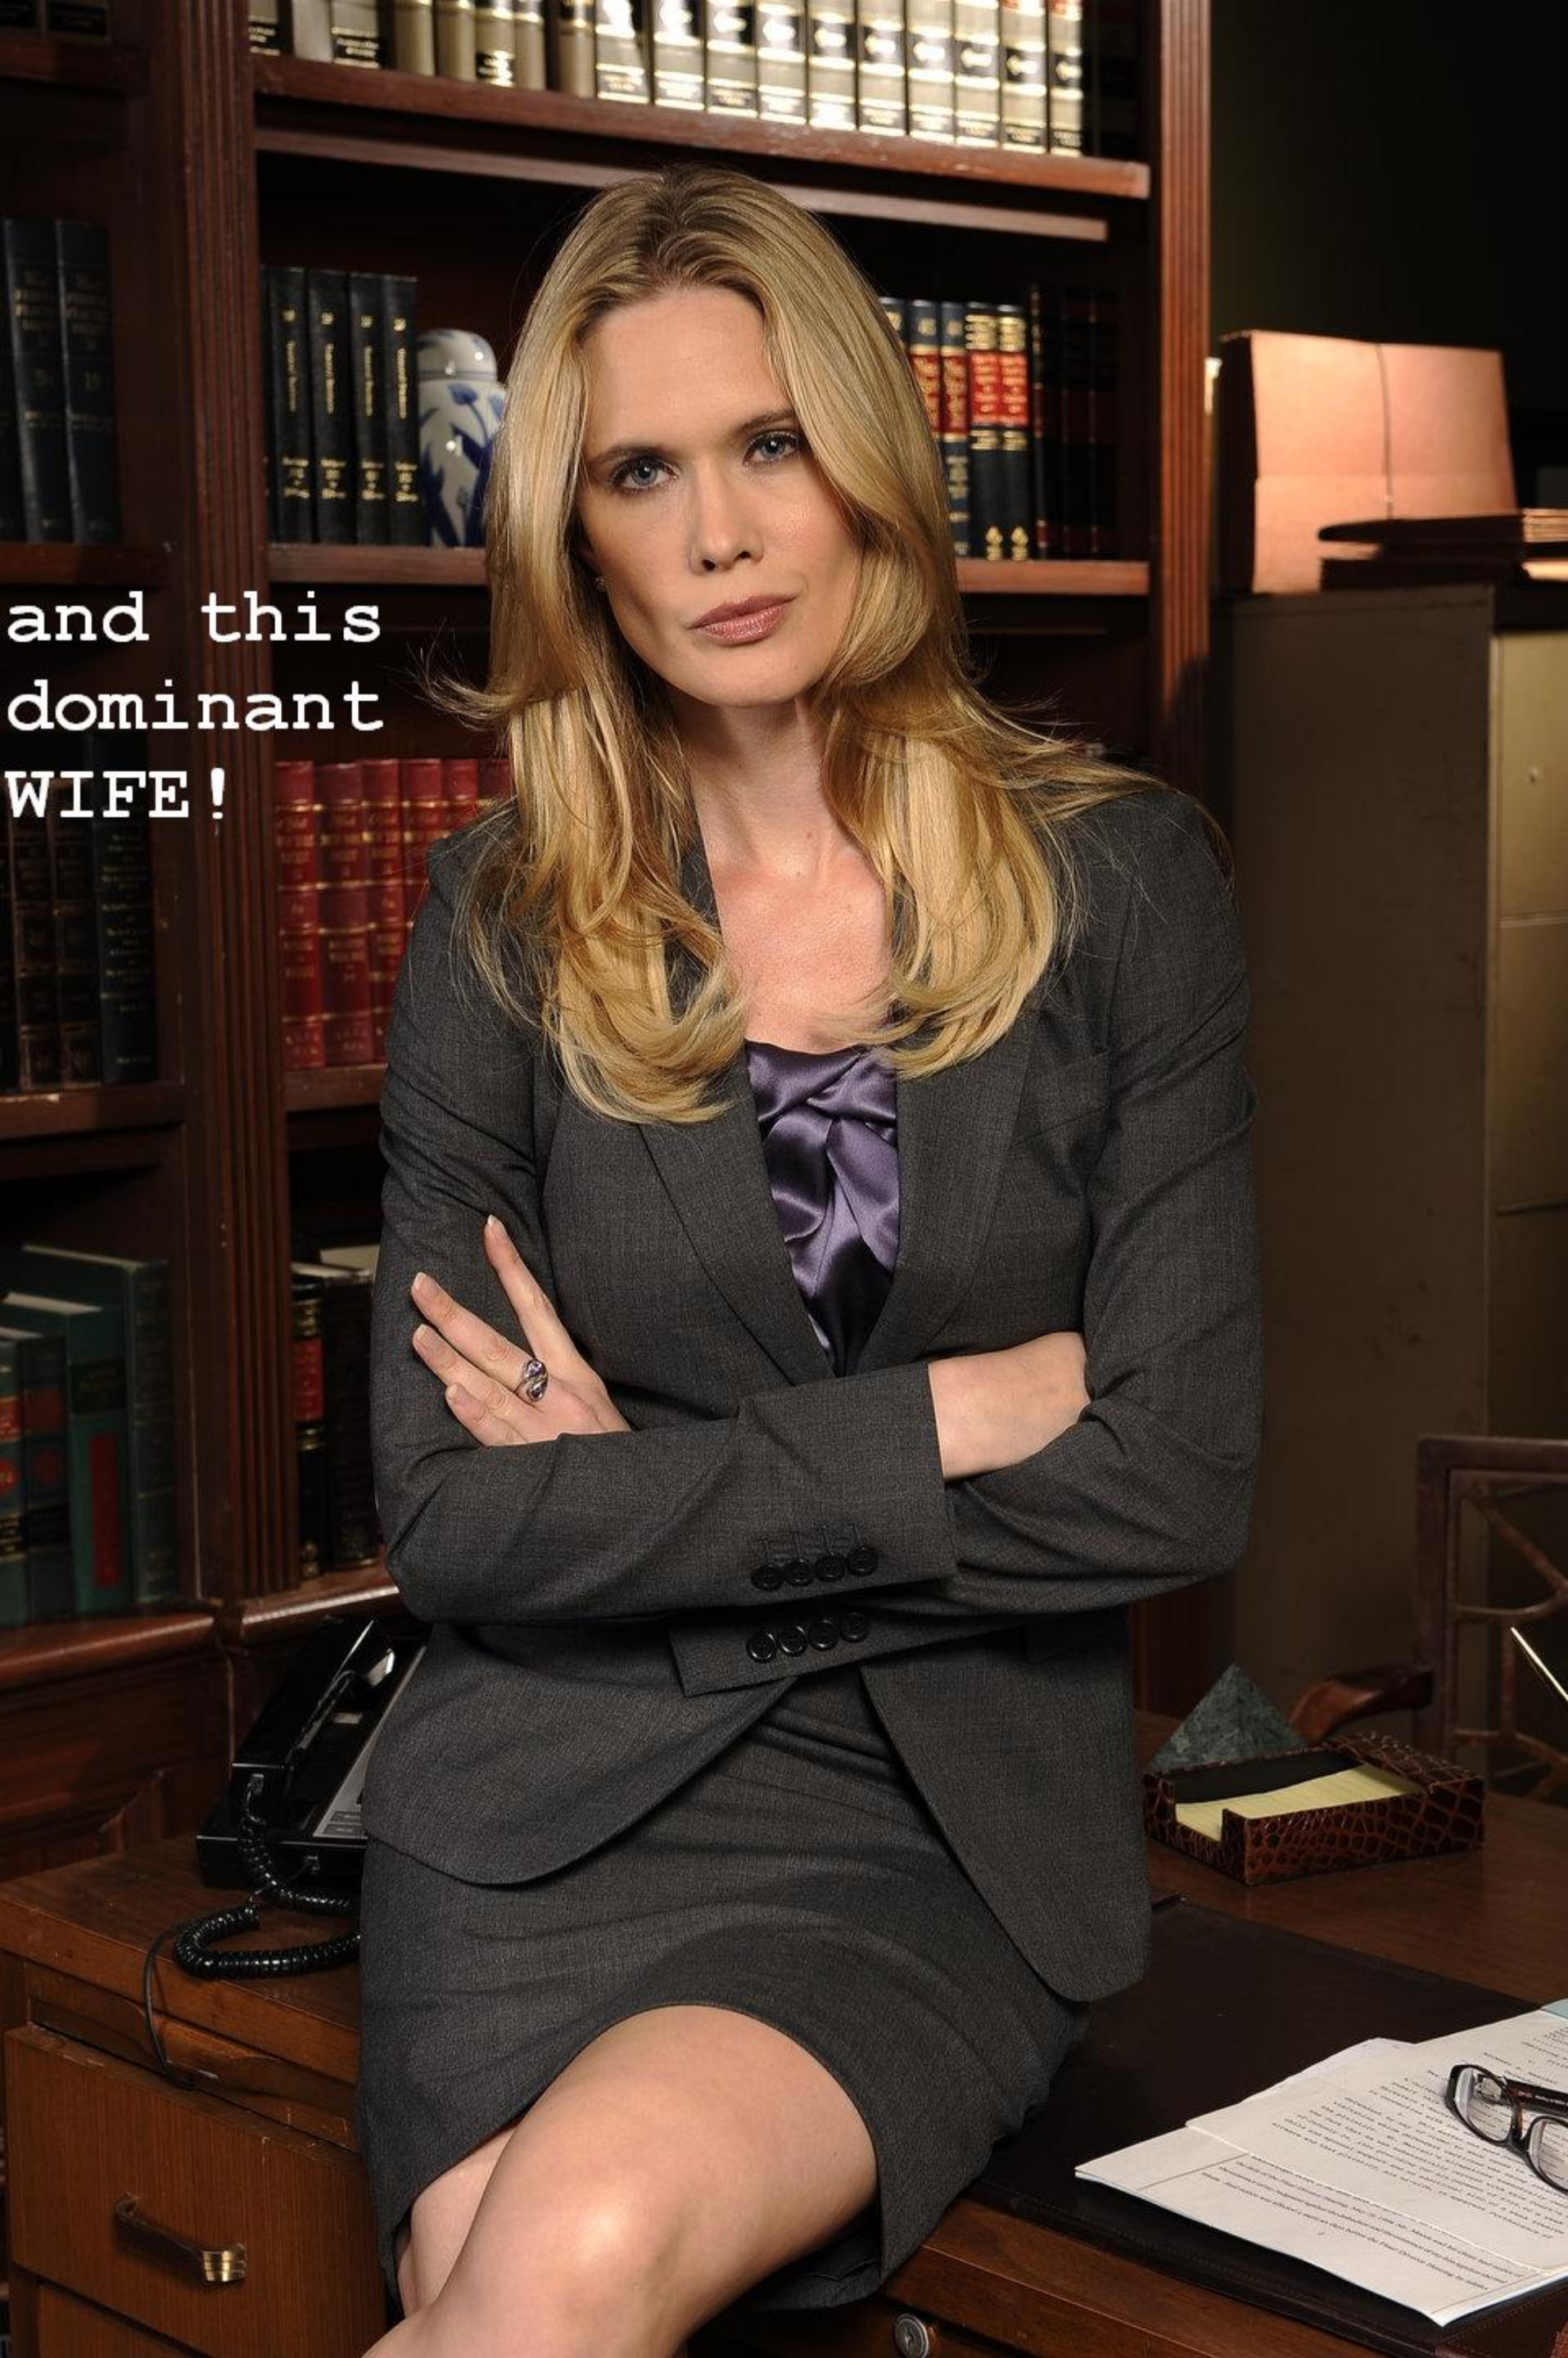

for the
rest of
their
life,

this
submissive
husband

and this
dominant
WIFE!

WON'T
they?
