

A woman has to use her strap and train her male some

to serve her and obey her and until her permission holds his come

and although he's submissive to her and her slave he wants to be

not all the things that Mistress wants, come to him naturally

and so sometimes in showing gratitude he can be a bit remiss

and has to be reminded what it is that he should kiss

"TWENTY FIVE,
MISTRESS!"

That's the end
of your whipping,
slave!

I decided to be
merciful and only
give you twenty five
lashes with my strap!

"THANK YOU FOR
YOUR MERCY AND
ONLY GIVING ME
TWENTY FIVE
INSTEAD OF
FIFTY,
MISTRESS!"

**You're
WELCOME!
But**

"If I Have To Tell You"

what you
should
do NEXT,

it'll be
FOREVER
the end

of any
FUTURE
mercy

YOU can
expect!

"YES MISTRESS!"

"THANK YOU
FOR YOUR
MERCY
MISTRESS!"

**"THANK
YOU!"**

"OH GOD
MISTRESS!
THANK
YOU!"

You're
WELCOME,
slave!
