

She DOES have her ways

dear God it's true

to keep you DOING the things

she wants you to do

"You Know What, Honey?"

It's really
AMAZING how
well you

hour of the
day

and I FORBID
you to come,
ISN'T it Hon?

"Yes
Mistress!
It makes
me want
to obey

so you
MIGHT
let me
come

at the end
of the
day!"

"But it's
been SEVEN
days

FREN-
CH
STYL
HIO

and you
haven't
let me
come YET,

A close-up photograph of a person's hand with light-colored nail polish, firmly gripping a smooth, light-brown wooden handle. The hand is positioned in the center-left of the frame. In the background, a white t-shirt is visible, featuring the words 'FRENCH STYLE' in large, bold, multi-colored block letters. The letters are filled with various colors like orange, blue, green, and yellow, giving them a hand-painted or tie-dye appearance. The overall lighting is bright and soft, creating a clean, aesthetic look.

Mistress?
Did you
just simply
FORGET?

NOPE !
