

We're being taught well by our
strict dominant Mother

how to train a male RIGHT like
we help her do with our brother

there's my Sisters Amber and
Claire and my name is Ruth

and we LOVE helping our Mom
train him

that's the Gods Honest truth!

when she
finished
whipping
his ass
with her
thick
leather
strap as he
hung over
one of her
living room
chairs

A woman with long dark hair, wearing a black leather choker, a black leather long-sleeved top with a low neckline, and a black leather skirt. She is holding a black whip in her right hand. The background is a solid red color.

and I had MY
turn to whip
him and so
did my
Sister
Claire,
she told her

I want him
upstairs in my
bedroom saying
"I'M SORRY!"
Claire,

"Take Him Up There!"

A woman with long dark hair, wearing a black leather choker, a black leather long-sleeved top with a zipper detail, and a black leather skirt, is holding a chainsaw. She is looking directly at the camera with a serious expression. The background is a solid red color.

Then my
Sister
Claire
told him
STERNLY,

Get your ass in
her bedroom and
DO it NOW
Tommy!

and I sobbed
Yes
Mistress
Claire! "

and then

A woman with long dark hair is lying on her back on a white sofa, looking up at the ceiling with her mouth slightly open. A man is lying on his side next to her, facing her, with his head resting on his hand. He is wearing dark shorts and black socks. The scene is brightly lit, likely from a window on the left.

**I'M
SORRY
MOMMY!**

And then it
was my Sister
Ruths turn
and THEN it
was Claires,
and as soon
as SHE'S
satisfied
it'll be
MY turn
upstairs!
