

She took me in her hand  
and GOD it felt fine  
when she did "come" training  
for the very first time

**"I BEGGED for release**

as she stroked me

that very first time

she did "come" training

and said

"slave,

**every DROP  
of your  
come**

from NOW on

is MINE!

**And you'll  
learn NOT  
to COME**

until I SAY  
that you  
may!

Here's the story  
of what happened

when I

**"Disobeyed Her That Day!"**

"OH GOD! I'M SORRY MISTRESS!"
