

THIS mouse will have no holiday
when the cat in his house goes away
to travel to another land
and leaves his ass in OTHER'S hands!

My submissive
little MOUSE,

I am
going
away,

on a
business
trip

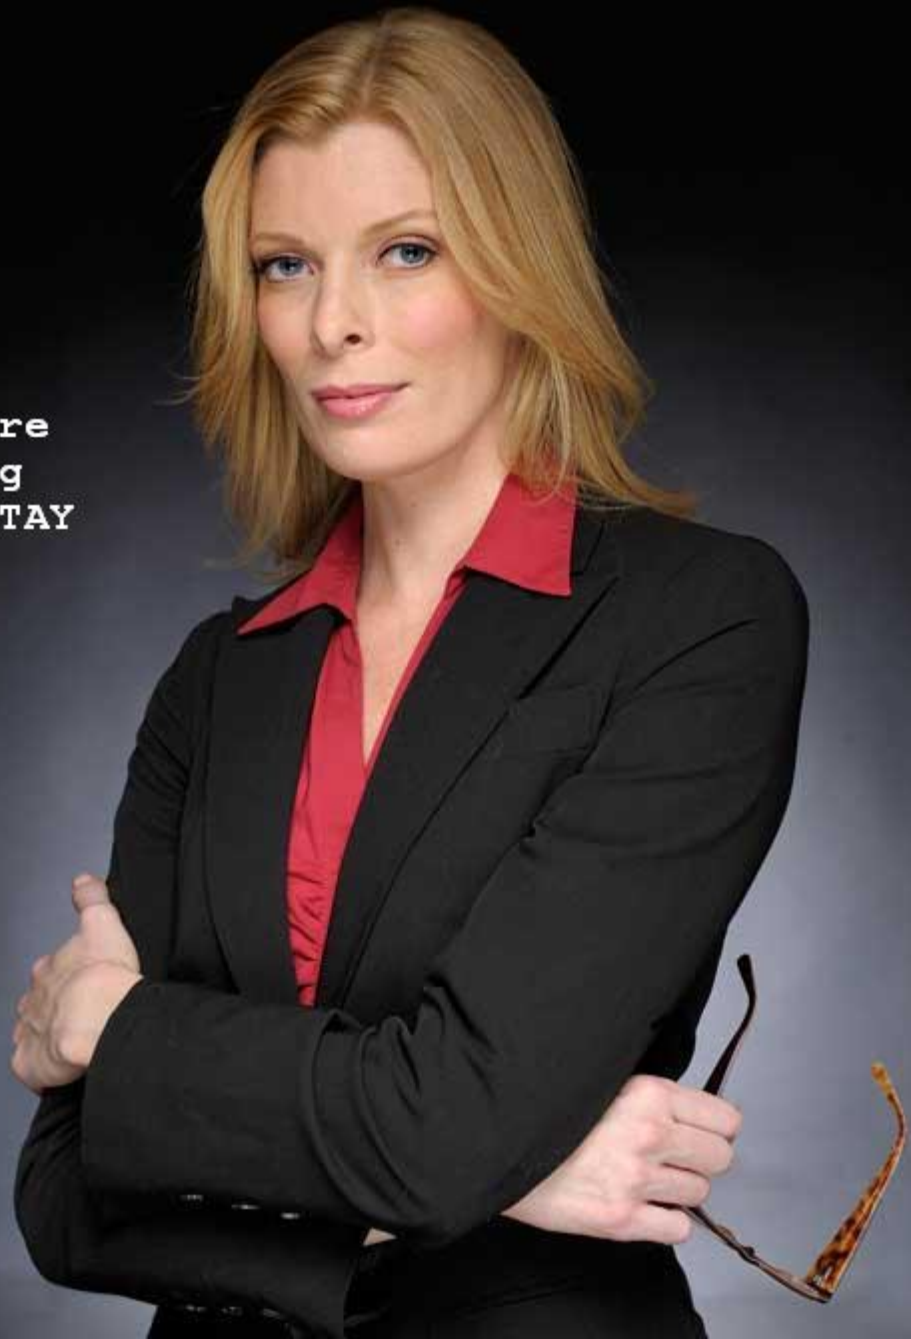

until a week
from today!

So with my
Mom and
my Aunt

you're
going
to STAY

and be an
OBEDIENT
mouse!

"YES
MISTRESS
FAYE!"

"While The Cats Away"

with her
mouse we
will PLAY

EVERY
night

and
EVERY
day

till
his
Mistress
returns
for him

NEXT
Saturday!

The woman on the right has long brown hair and is looking down at the first woman's chest, adjusting a pink bra. The background includes a white ladder-like structure with a potted plant and a dining table with a blue chair.

And
though
HE may
not like
it

THIS is
how he
will STAY

to see my
Mom and my
Aunt KEPT
