

Girls, she's a dominant woman and her
BIGGEST of needs

is for her male to be submissive and
down on his knees

And though the size of his manhood may
not be the best

she knows he eagerness to please her
will take care of the rest

She
should
have a
boyfriend!

Really!
She
SHOULD!

There's
no way
HE can
satisfy
her sexual
needs

like a
REAL man
could!

Really,
Girls?

All I
have to
say

to you
naive
young
BITCHES

is you
don't
know a
DAMN
thing!

Do
they
slave?

No
they
DON'T,
Mistress!

Girls,

he may be
submissive

and his
cock may
be small

but when it
comes to MY
satisfaction

"We Never Use It At All!"

DO we?

"NO
MISTRESS!"

And at
the end

of THESE
orgasms

I'll rest
for a while

before he pleases
me AGAIN

and GOD,
will I
smile!

WON'T
I,
slave?

**YES
Mistress!**
