

I know for a fact MY Mistress feels this way

that's why **I** only come when SHE says I may

Oh Yes slave,  
we LOVE it

when you  
kneel and  
obey,

without us  
having to  
**TELL** you

to DO it  
each day!

We love  
it so MUCH  
slave,

suffice  
it to say,

you can't  
blame us  
for **WANTING**

**"To KEEP You That Way!"**

"Mistress?"

WHAT,  
Honey?

"May I make  
myself come  
for you tonight  
Mistress?"

"Please?"

"You haven't  
allowed me to  
come for almost  
two weeks now,  
Mistress!"

"PLEASE let me  
come Mistress?"

"I've obeyed you  
the way that you  
WANT me to obey  
you, Mistress!"

I KNOW you  
have Honey,

and I  
LOVE it!

Lay down Honey,  
I'll HELP you!

"Oh GOD!  
Thank You,  
Mistress!"

Now open your  
legs for me,

and I'll  
HELP you,

STAY as  
obedient  
as you've  
been for  
the last  
two weeks!

Now go  
iron my  
jeans!

And he told her  
"Yes Mistress!"

as he RAN  
to obey,

DIDN'T  
he?
