

Once upon a time in a long ago day

my Wife Mistress demanded I obey
her in a most special way

Now look
at HIM and
IMAGINE

this is her
warning YOU

"You better
not cum ONE
fucking DROP

"Or I Will PUNISH You!"

And as I
watch him
CRYING

it keeps me SO
horny cause it
feels so
SWELL

seeing him
SUFFER in my
Female ruled
HELL!
