

Letting him out

may not be in her plans

but he'll obey his Mistress

ANY way that he can!

This is
a story,
about a
guy just
like YOU

who does
what his
Mistress
TELLS him
to do!

And if he
wants OUT
of that
THING

sometime
before
CHRISTMAS

he'll
use his
mouth for
something
ELSE

"Besides Saying Yes Mistress!"

"I'm all finished cleaning
your house,"

"how may I serve you
NOW, Mistress?"

A person is standing in a bedroom, wearing a fishnet bodystocking with a black garter belt. A large, clear, cylindrical metal clasp is attached to the crotch of the bodystocking. The person's legs are spread apart, and the camera is positioned low, looking up at the person. The background shows a bed, a television, and a lamp.

Did you clean my
house RIGHT, slave?

"Yes Mistress!"

You better pray that I
don't find ANY thing not
done correctly

A person is standing in a cage, with their legs visible in the foreground. The person is wearing a black and red patterned garment. The cage is made of metal bars. The background is a dimly lit room with a television and a lamp.

or I'll keep you locked in
that thing for ANOTHER month!

"Yes Mistress!"

GOD! Thinking about being
ABLE to DO that makes me
hornier than Hell!

You know that, slave?

"Yes Mistress!"

Good, then you may serve
me NOW by doing something
ABOUT my horniness!

"Yes Mistress!"

The End

And THAT
story
AINT
fiction,
for ME
and for
YOU,

I know
that for
a FACT!

Huh,
slave,
don't
YOU?

"YES
MISTRESS!"
