

How long ago did those fantasys
begin to sprout from the depths
of your soul

those mysterious needs and desires
for a Woman to take total control

Well boys today I'll be reading
in class

a story about what one young boy
fantasized in HIS past

Once upon
a time,
there was
a young
boy

"JUST Like YOU"

who had
fantasys
about HIS
teacher
doing this
TOO!

And he
didn't know
WHY this

made him
feel so
GOOD,

and made
him NEED
to jerk off
WHENEVER
he could!

And he
didn't
CARE why
this
brought
him such
BLISS,

he just KEPT
jerking off
and COMING
while
imagining

THIS!

The End

And NOW
he's grown
up,
and now
JUST like
YOU,

he KNOWS
why he says
"YES
MISTRESS!"
to HIS
Mistress
TOO!

DOESN'T he,
SLAVE?

Oh God YES
Miss Mc Cue!

And HE's
living VERY
happily
ever after
now TOO!
