

Oh YES, serving and obeying a Woman
as her slave can make a submissive
man horny it's true

and sometimes it even makes HER
horny TOO!

Once upon a time a
VERY horny dominant
Woman who her slave
addressed as
Mistress Louise,

called her slave
into the living room
and said STERNLY

slave,
get down
on your
knees!

And when
he obeyed
and said

Yes
Mistress!

she looked at his
erection and said

You can
finish
cleaning my
house
LATER!
Go lay
on your
BACK

"For Me On My Bed!"

And then he BEGGED

A woman with long dark hair, wearing a white long-sleeved shirt and brown shorts, is riding a man on a chair. She is leaning forward, and her legs are spread wide. The man is lying on his back on the chair. The background is an office with a desk, a chair, and a window.

OH GOD
PLEASE LET
ME CUM?
PLEASE
MISTRESS
PLEASE?

OH GOD PLEASE LET
ME CUM?

but she sternly said

NO!

and he SOBBED

A woman with long dark hair, wearing a white long-sleeved button-down shirt, is sitting on the back of a man. She is leaning forward, and her hands are resting on the man's shoulders. The man is lying on his back on a light-colored chair or sofa. The background shows an office environment with desks, a computer monitor, and a chair. The lighting is bright and even.

**YES
MISTRESS
LOUISE!**

And when she was
satisfied and she
couldn't CUM anymore,
she said
"slave, NOW you can
go back to CLEANING
some more!"
