

Teaching a submissive male
obedience is about

two VERY long weeks of
him doing without!

slave, lick me to
orgasm after orgasm
as I tell them this
story,

and MAYBE I'll let
you cum THIS week!

OH God YES Mistress
Laurie!

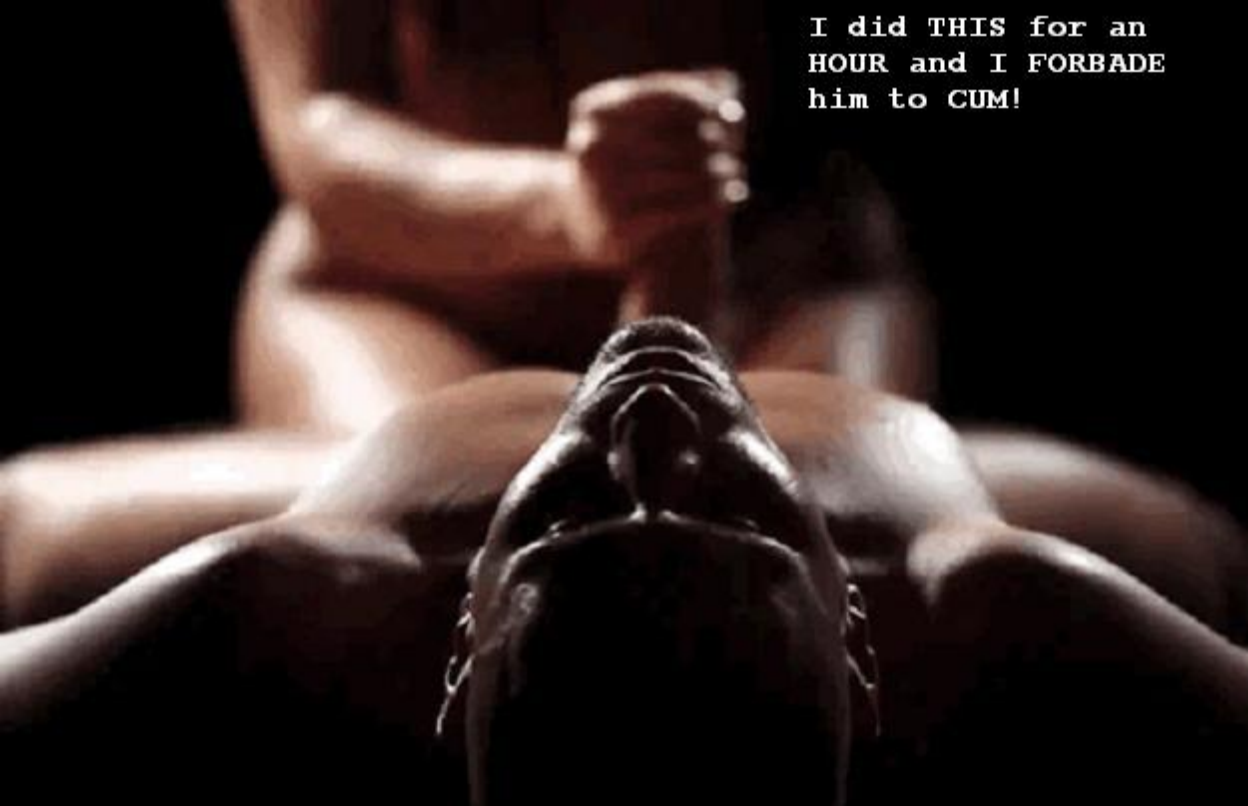

Once upon a time this
slave had been BAD
and his owner
Mistress Laurie was
NOT very GLAD!

So when it was time
for his ONCE a week
cum

I did THIS for an
HOUR and I FORBADE
him to CUM!

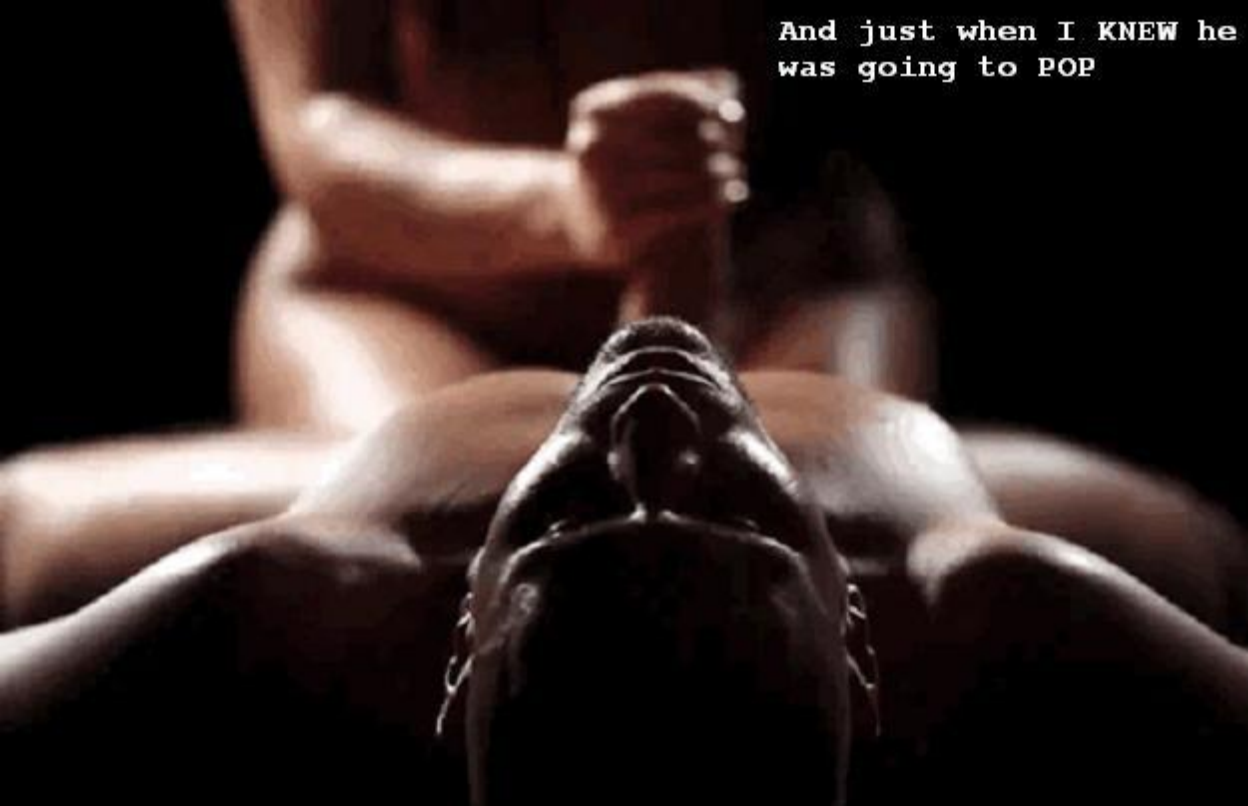

And just when I KNEW he
was going to POP

and he was **BEGGING**
to cum, my hand
came to a **STOP!**

And to teach him a
lesson about OBEYING me
that he'll never forget,
I sternly said

"Sorry, But THIS Week"

this is ALL
the cumming
YOU get!

And after two LONG weeks
without cumming he
immediately DOES what
I SAY,

and he licks me to
ORGASM after ORGASM
when I WANT him to,
ANY time EVERY day!

God, he does it so
PASSIONATELY! He does
it so WELL,
that his owner Mistress
Laurie, is happy
as HELL!

And so we BOTH have
a happy end to this
story,
I'm gonna let him
jerk off on his knees
and **FINALLY** cum
for me!

A woman with long dark hair, wearing a light blue dress, is seated in a beige upholstered chair with silver nailhead trim. She is holding a magazine and has her left leg extended onto a wooden table. A man's head is resting in her lap, and she is gently touching his hair. The background shows a wooden cabinet and a window with sheer curtains.

OH MY GOD THANK YOU!
THANK YOU MISTRESS
LAURIE!

You're
welcome!
