

About serving his Mistress

as her slave who'll OBEY

he had a whole different
attitude

by the end of the day

A young woman with long brown hair and rosy cheeks is lying on a bed with a blue and yellow floral patterned sheet. She is wearing a white spaghetti-strap top with a small white bow at the bust and white shorts. She is looking towards the camera with a neutral expression. A man's hand, wearing a silver ring, is resting on her right hip. The background is a dark wooden headboard.

My
Girlfreinds
made him
do THIS

"When They Came Over Today"

and
WARNED
him

You better
NOT come
inside
her

A woman with blonde hair, wearing a pink and white horizontally striped short-sleeved shirt, is leaning over a man and spanking his buttocks with her right hand. The man is shirtless and has dark hair. He is looking towards the left. Another woman with blonde hair is lying on the bed to the left, looking up at the man. The scene appears to be in a bedroom with white bedding. The text "or we'll cut your BALLS off today!" is overlaid in the center of the image.

or we'll
cut your
BALLS off
today!

So he
sobbed
out

"Yes
Mistress!"

and my
Girlfriend
May,

helped
him
please
Susan

in her
FAVORITE
way!

And at
the end
of an
HOUR when
she was
TOTALLY
pleased,

he BEGGED
and he
BEGGED for
his OWN
release!

"OH GOD!
PLEASE LET
ME COME?"

"PLEASE?
I'M BEGGING,
MISTRESS!"

But all
THEY did
was LAUGH,

while I
locked him
RIGHT back
in THIS!

Didn't
they?

"Yes Mistress!"

And now
that his
need to
COME

is
NOWHERE
near
SMALL,

he'll do
anything
I WANT
him to,

ANYTHING
at ALL!
