

Only ONE time each week she would allow
me to come

and at first it would embarrass me alot
more than SOME

cause when it came to MY coming the only
way she'd LET me

was by doing it MYSELF at her feet on my
knees

but it felt so good FINALLY coming for
her each Saturday

that
saying

"Thank you
for letting
me come
this week
Mistress!"

was
something

I had
to SAY

"The RIGHT Way!"

And

You're
welcome
slave!

is what
she'd say,

and GOD I loved
her more each
day!
