

Oh Yes you'll learn quickly
that a good slave you'll BE
when the woman who owns you
is holding the key

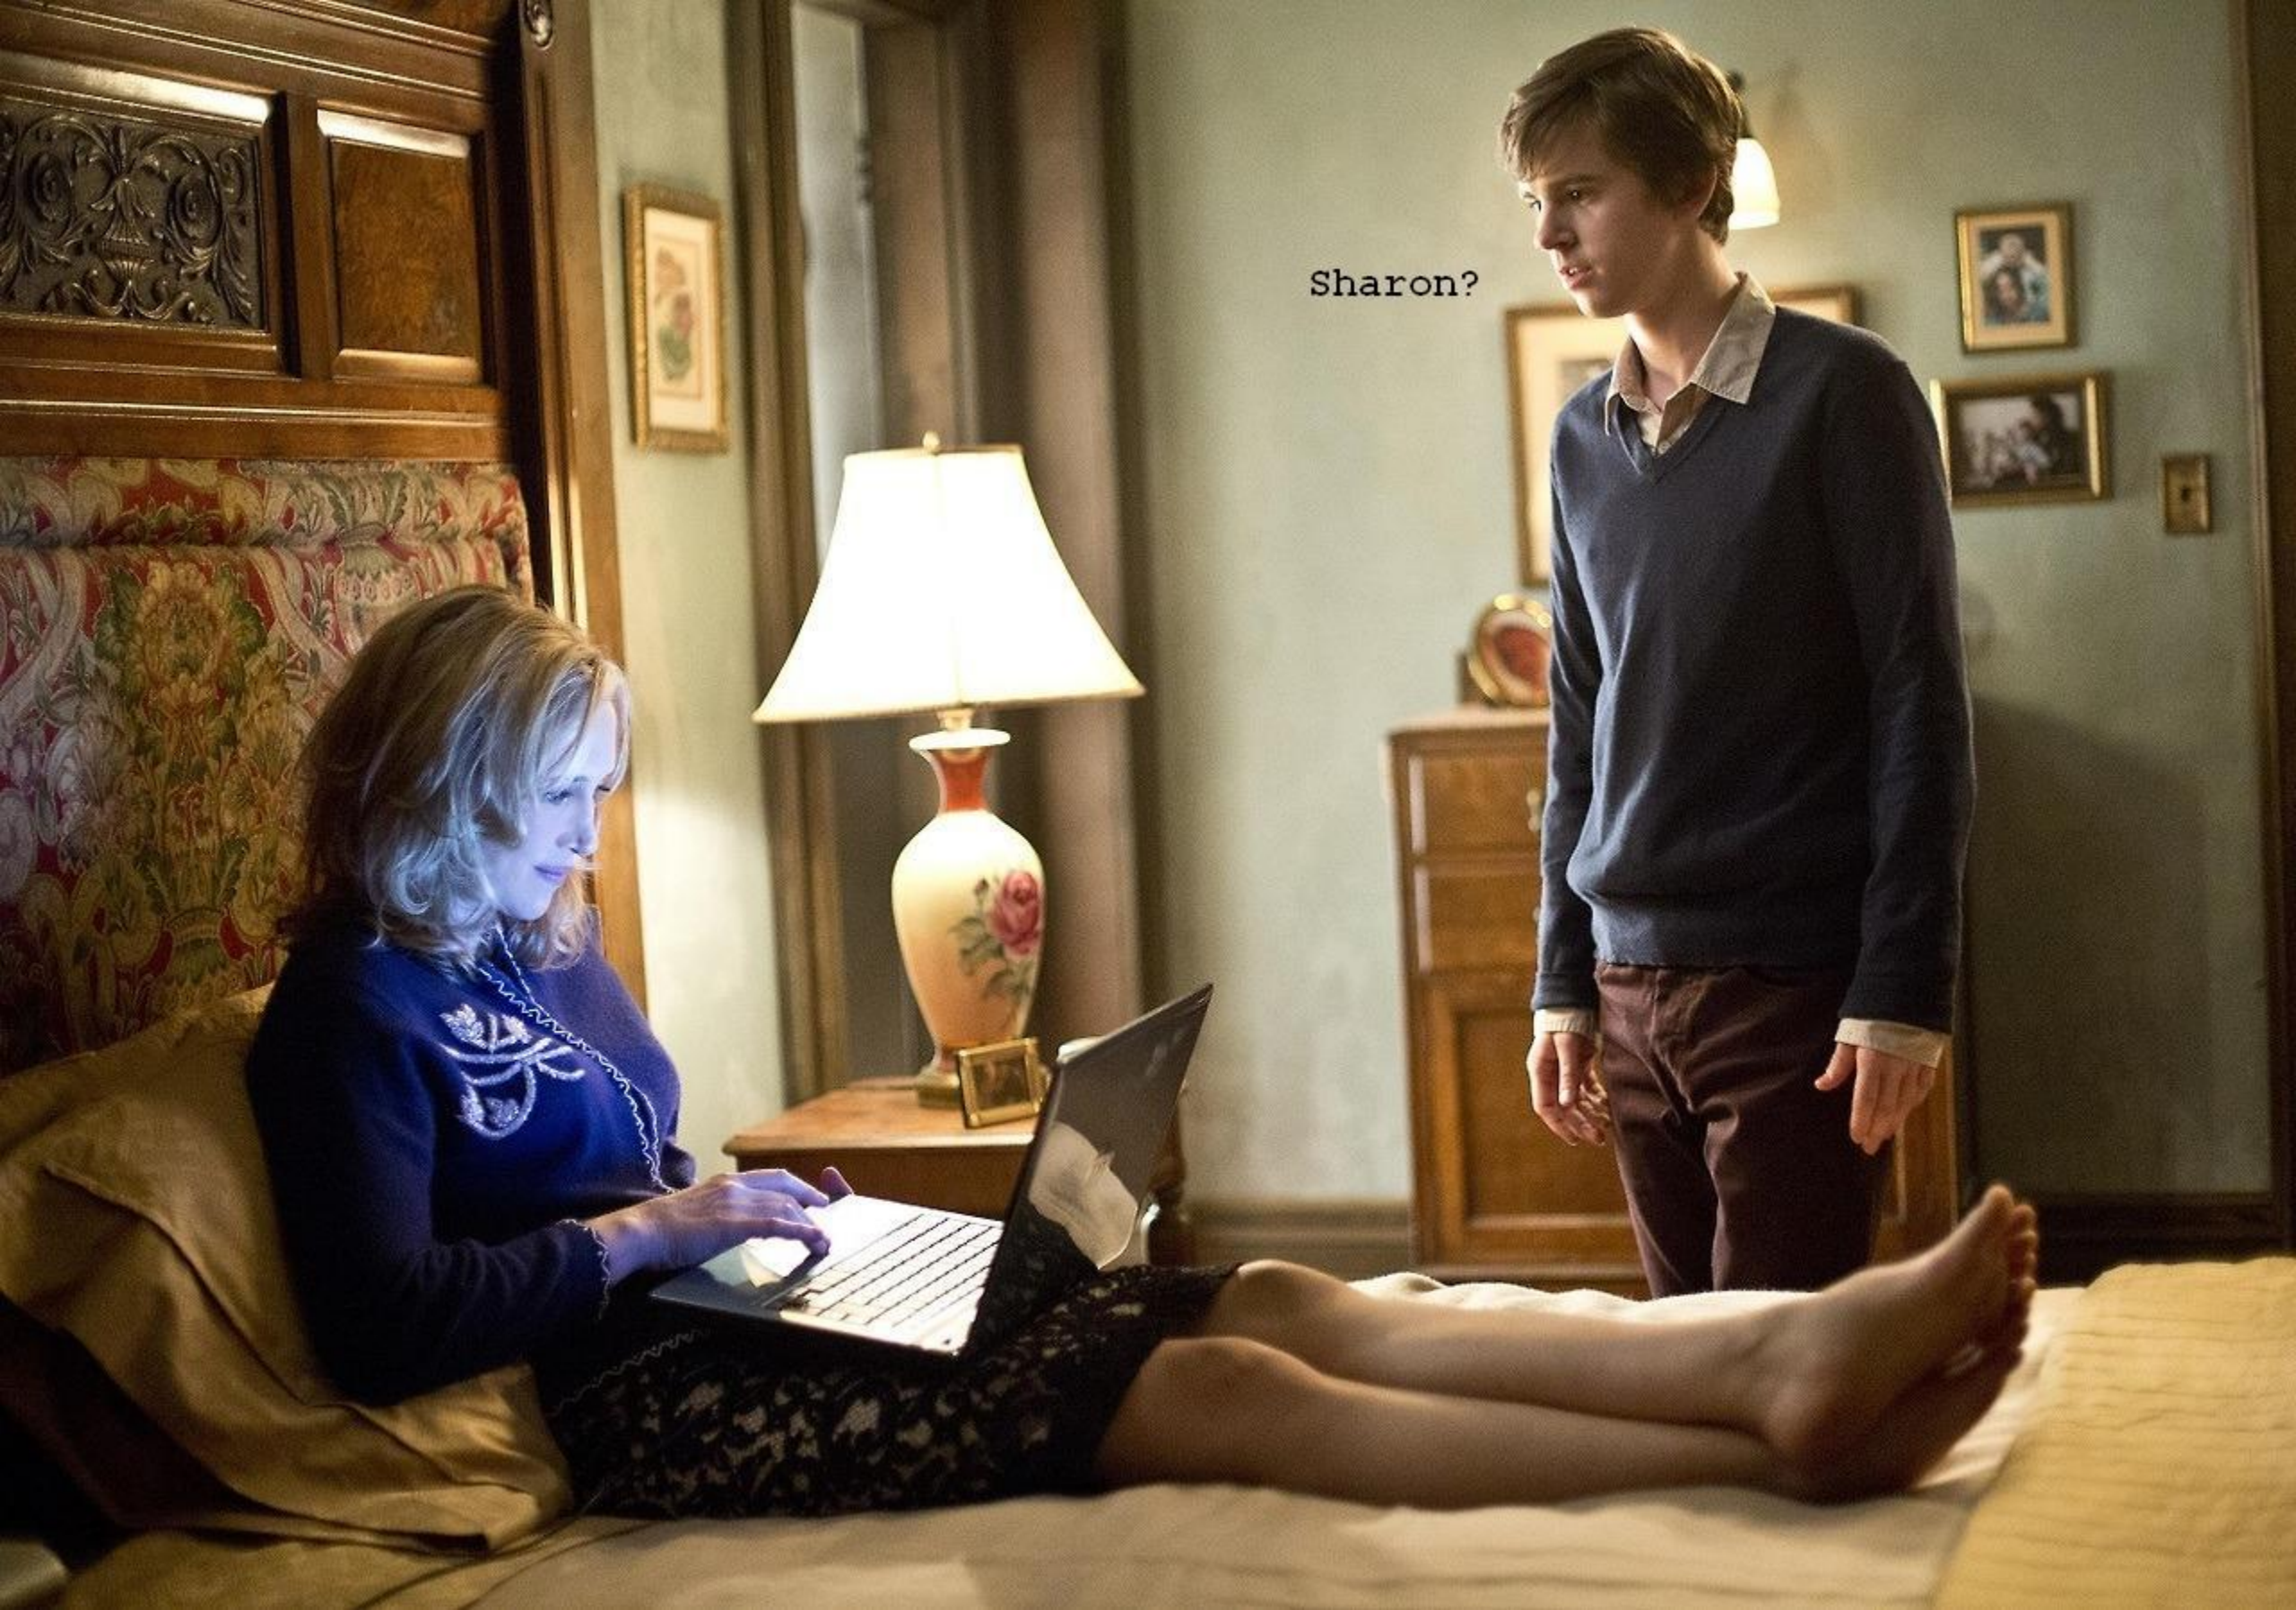

Sharon?

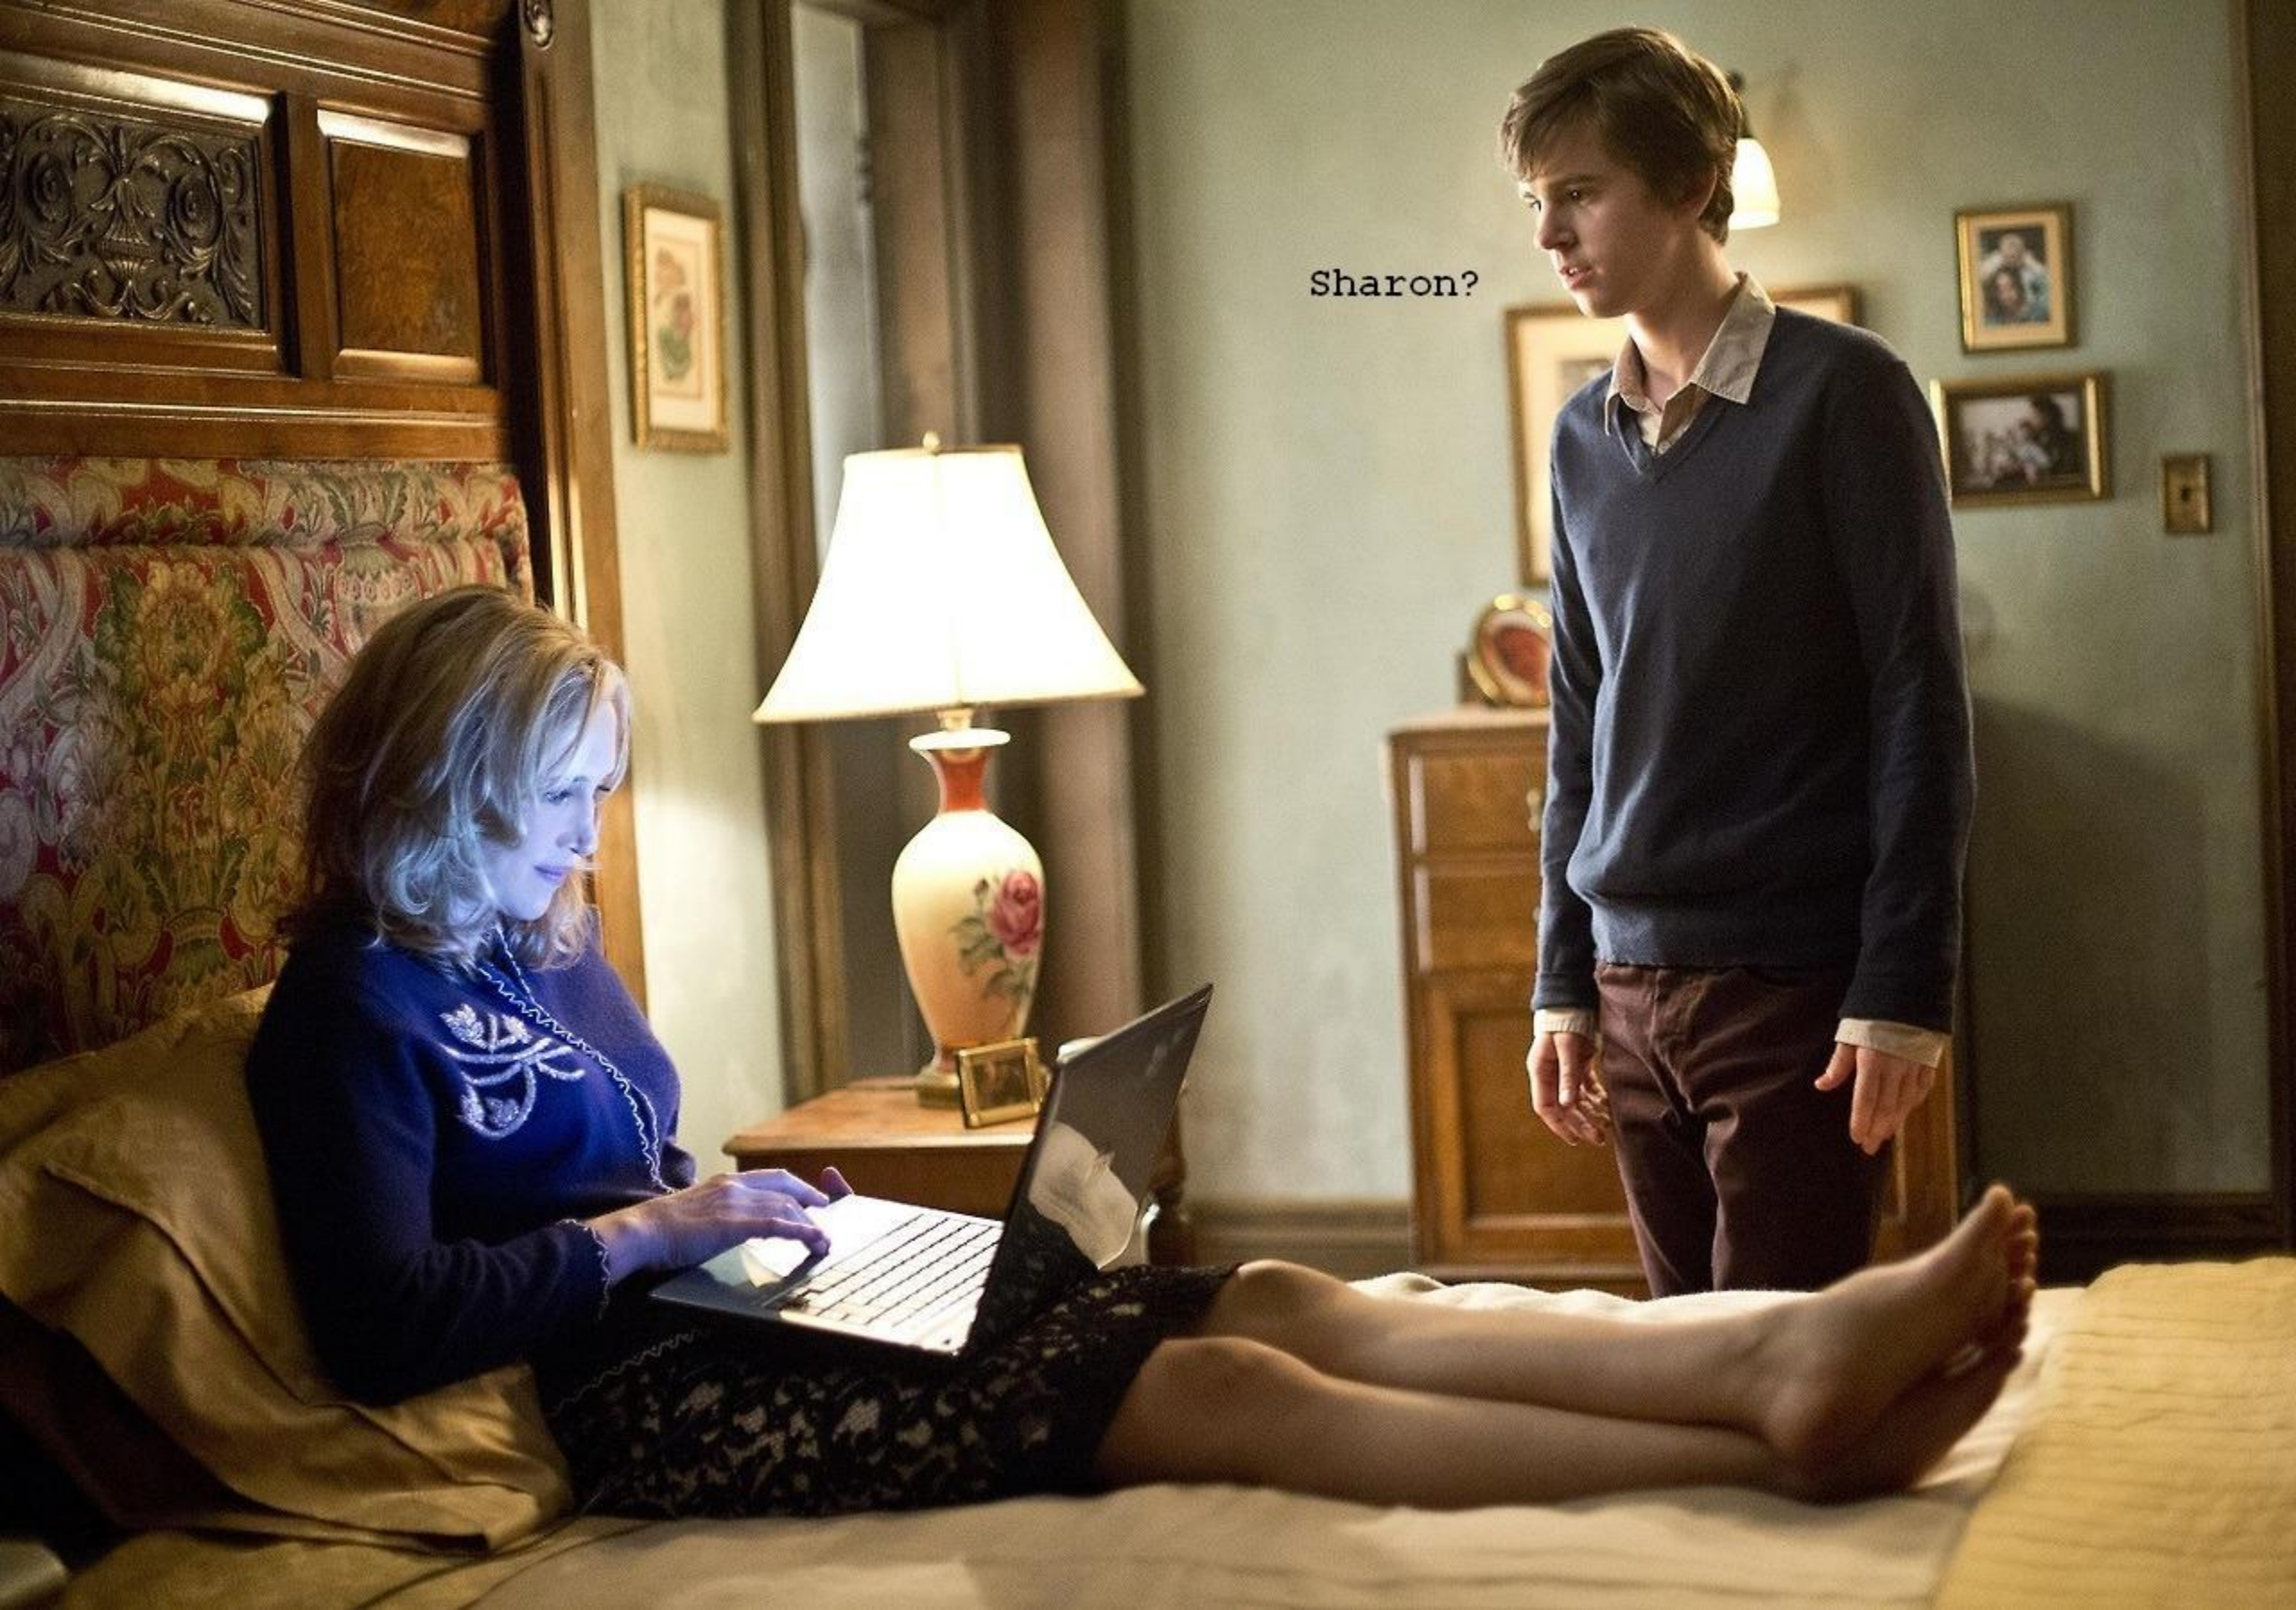

Sharon?

Sharon?

Honey,
like I told
you last
night,

there's no
one here by
THAT name

"ANY More!"

"Mistress
Sharon?"

YES,
Honey?

"May I watch
TV tonight
instead of
serving you?"

I am VERY
strongly
suggesting

that you get
the way that
I WANT you
to be for me
EVERY night,
Honey!

"Are you REALLY going to keep me locked in this thing until I get that way and serve you every night without having to be told, Mistress Sharon?"

Yes
I AM!

And if you
WANT to
watch TV
tonight,

instead of
serving me
like I WANT
you to,

you CAN!

And you
can do it
TOMORROW
night,

and EVERY
night after
that,

for as
LONG as
you WANT!

OK Honey?

"Yes
Mistress
Sharon!"

"How may I serve
you tonight,
Mistress Sharon?"

And not only
is that the
END of the
story, but
it's a very
HAPPY one
too!

And I AM
living
VERY VERY
happily
ever
after!
