

This is a story of BLISS

oh my GOD yes siree

when SHE'S in control

and she's holding the KEY

Once upon a time  
me and my boy  
shared our SOULS  
in an intimacy  
that filled us  
with JOY

as I shuddered in  
ORGASM after  
ORGASM,  
screaming

**"Oh My GOD Honey!"**

You're such  
a GOOD boy!

And we are  
living VERY  
happily ever  
after!

AREN'T we  
Honey?

YES MISTRESS!

Mistress?

What,  
Honey?

Please unlock me  
and let me make myself  
cum tonight? Please?

No Honey,  
I think you'll  
obey and serve me  
ALOT better if you  
wait ANOTHER week  
to cum!  
OK?

YES MISTRESS!
