

When your newly wedded life is now
Female led

she may make you prove to her parents
that you meant what you said

when you swore on that bible on
your wedding day

that you'd honor their Daughter and
ALWAYS obey

Mistress?

WHAT,
Honey?

"Did You REALLY"

tell your
parents that
I'm your
slave?

Yes,
I DID,
Honey!

Why?

Are you
ASHAMED
of that?

No
Mistress!

GOOD!

Because THIS
is how you will
BE when they
come over to
MEET you!

But
Mistress,

THAT is
the END
of this
discussion
Honey!

Yes
Mistress!
