

Before becoming her slave

you should voice your concern

about one special thing

she may DEMAND that you learn!

"I can't
hold any
MORE
Mistress,

you've been
doing this
all DAY!"

"Please LET
me come
Mistress?"

"PLEASE Say It's OK!"

There is
nothing
much
harder

for a
submissive
man

than being
"Come
Trained"

by his
Mistresses
HAND,

and
wanting
so BADLY
to give
her

the come
that is
HERS,

and knowing
he'll be
PUNISHED

if THAT
should
occur!

Yes, it's
HARD when
she uses

her HAND
for the
mission

of teaching
you NEVER
to come

without HER
permission!

ISN'T
it?

"YES MISTRESS!"

"YES
MISTRESS!"

"YES
MISTRESS!"

But you
WILL learn
to DO it

Yes you'll
DO it my
friend

or else
for your
manhood

it
WILL
be
the
END!

Snip!

Now HOLD
your come!

"YES
MISTRESS! "
