

If YOU'VE been here like I have friend
you KNOW what'll happen at the VERY end
of this story when it's REALLY done
and Mistress gets to have her fun

Honey,
ALOT of stories
have been
written about
"Come training"

and in EVERY
one of them

the male
complains
about how
HARD it is
for him

to hold his come
for his Mistress

until the end of a
pre determined time

that his Mistress
WANTS him to hold
his come for her!

So I guess
that I'm about
to find out

if it
really IS

"So Much TROUBLE"

for a
submissive
male

to HOLD
his come
for his
Mistress

until
the END

of a pre
determined
time

that his Mistress
WANTS him to hold
his come for her,

AREN'T I,
Honey?

"YES MISTRESS!"

"I'M SORRY MISTRESS!"

Yeah, ALOT of
stories HAVE been
written about
"Come training"

and ALSO in
EVERY one
of them

the Woman
didn't care
HOW much
TROUBLE
it was!

DID she,
Honey?

"NO MISTRESS!"

And as my STRAP'S
about to show you,

I don't
care
EITHER!
