

There are places called "Dog Parks"
where a Woman can take her pet cur

but where can she take her MAN pet
who's owned COMPLETELY by her?

who is going
to TELL us
a story

"About Such A Place!"

Well, once upon a
time in a magical
Female ruled land,
there WAS a park
where a Woman
could take her
submissive
man!

Where she
could make him
STAY like a GOOD
pet while she'd
sit and talk,

or make him
HEEL like he
SHOULD while
they went for a
walk!

A park where a
Woman could take
ALL of her pets
out to play,

or she could
keep her pet
HUMBLED so he
can't run away!

And she's free
to take him
along by his
own built in
leash,

so Sandra can
have HER fun
with him ALL
day while SHE'S
at the beach!

YES! A park
where the Girls
can sit with
SMILES like
this,

while watching
a pet entertain
his owners,
Margaret and
Trish!

But before
I leave you
I feel Girls
I would be
TRULY
remiss

if I didn't
tell you
that at
THIS park
we have
a young
Lady
named
Chris

who's here
EVERY day
of the week
rain or
shine

and LOVES
to do

A woman with long, wavy red hair is sitting on a man's lap. She is wearing a black, sleeveless top with buttons. She is holding a large pair of black pliers, with the handles in her hands and the jaws clamped on the man's hairy leg. She is smiling slightly at the camera. The background is dark with some light-colored horizontal slats, possibly from a window or a door. The text "THIS!" is written in white, bold, capital letters in the upper right quadrant of the image.

So bring
your pet
down here
for a day
in the sun

or just
relax while
your pets
with
Sandra

or Chris

having ALL
sorts of
fun!
