**Copaiba Balsam Essential Oil**

Botanical Name: *Copaifera officinalis*

Extraction Method: Steam Distilled

Plant Part: Crude resin

Origin: Brazil

Color: Yellow to brownish

Consistency: Medium to Thick

Note: Base

Strength of Aroma: Medium

Aromatic Scent: Warm, honey-like scent. It is rich and pleasant

Blends With: Copaiba Balsam Essential Oil blends well with oils from the floral and spice families, oils with Oriental bases, and with the aphrodisiac oils Rose, Jasmine, Sandalwood, and Frankincense. It can also support the softer qualities of oils such as Ylang-ylang or Vanilla.

**Common Uses**

Because Copaiba Balsam contains over 90% sesquiterpenes, the oil is said to be a powerful anti-inflammatory and may also exhibit anti-bacterial and antimicrobial properties. Copaiba Balsam shows promise in assisting with acne. Additional possible uses: bronchitis, colds, stress, perfumery fixative.

**Cautions:**

Tisserand and Young do not indicate any special precautions when using Copaiba Balsam.

Never ingest or use an essential oil undiluted unless advised by your health care provider or certified aromatherapist. Keep essential oils away from infants, children, and all pets.
