Spring Fling

Help us keep PTO stuff out of YOUR garages!

The PTO Spring Fling's fundraising goal on May 6th is \$5000 to put towards building a PTO storage shed. Guess where all of the PTO stuff is now? A little is in the school and a ton is stored in CES parents' homes, garages and barns! Each year as parents graduate out of CES, that stuff moves to another home. Help us stop this cycle before it ends up at your house!

We are reaching out to parents for help with connections on some awesome live auction items. Please review the current idea list below and email us at cesctpto@gmail.com if you can help out in any way:

-Firetruck Ride to School: Who knows the current chief and is willing to ask if s/he is up for this donation this year?

-Broadway Tickets: Who has Broadway connections they could reach out to?

-Major-league Sports game tickets: Who knows anyone who is a season pass holder to a regional major league team?

-Vacation/timeshare Getaway: Who knows anyone who is willing to donate a long weekend?

-Other ideas: what are your ideas for other item options that could earn \$300-\$1000, and do you have any leads to reach out to?

The Spring Fling committee thanks you for your time and consideration!
