

Celebrate your little one's arrival with a luxury keepsake experience your guests will never forget. **Pressed by Stori** transforms a traditional baby shower into an interactive celebration where family and friends create personalized onesies filled with love for your newest little blessing.

Guests will choose from a curated collection of premium heat-transfer designs, meaningful sayings, adorable graphics, and names before pressing their custom creation onto a baby onesie using our professional heat press. Each finished onesie is beautifully displayed on a carefully selected hanger—choose from elegant pearl, velvet, or natural wooden hangers—creating a stunning display that becomes part of your event décor.

Packages start at \$400
