Under one umbrella, the Hunt Michigan Collaborative (HMC) unites conservation organizations that offer hunts and educational outdoor experiences to individuals of all ages, abilities, and backgrounds across Michigan.

Our mission is to grow hunter participation and educational opportunities, rekindle and create family traditions, while improving wildlife habitat, securing access to quality private land for hunters, feeding those in need, and mitigating crop damage and wildlife impacts.

Through collaboration and education, we foster a sustainable connection between Michigan residents, Michigan's natural resources, and conservation.
