Mister Black

Welcome to our humble lakeside abode at Murrays Beach.  
Our philosophy at Murrays Restaurant is provide quality seasonal produce with  
impeccable & friendly service in a beautiful bush setting.

Our focus on our wine list is on regionality, sustainable wine-making practises and  
depth of quality. Being located in between the Central Coast and Newcastle on the  
shores of Lake Macquarie we are privileged to have the oldest wine region in  
Australia, the Hunter Valley right on our doorstep.

There is a definitive lean towards Hunter wines as we are spoilt with superior quality  
right in our backyard, coupled with the oldest vines in Australia which makes for  
wonderful complexity. We are also being mindful of having a minimal carbon  
footprint on the environment by keeping it local, and also doing our bit for the local  
economy. The other regional goodies on the list are deservingly listed for their  
quality.

### **Some of our favourite wine quotes:**

"A meal without wine is like a day without sunshine"  
*Anthelme Brillat-Savarin, French Gastronomer (1755 - 1826)*

"Age is just a number. It's totally irrelevant unless, of course, you happen to be a bottle of wine."  
*Joan Collins*

"I cook with wine, sometimes I even add it to the food."  
*W.C. Fields, circa 1930's*
