A Committee of the Penridge Area Republican Club - Where Patriots Take Action!

HAPPY NEW YEAR!

A Report from the Committee...

In December, we held a Strategic Planning meeting. Many goals were set to enable us to continue our election integrity effort.

We exist to be a conduit of information by engaging with other organizations that have a broader base and more experience. This newsletter is our means of communicating to the club and hope that members will share it with family, friends, colleagues, etc.

Upon evaluation of our first five months of existence, we realized how much we've learned and how much we still have to learn. We were very successful (with the great response from the club), at filling the Bucks County polling places with workers, watchers and greeters.

Strengthening our relationship with the Board of Elections, Commissioner, Sheriff and other Bucks County officials will help us to learn and grow. Educational sessions with guest speakers will broaden our knowledge. Uniting with other clubs in PA will help us show strength in numbers.

Let's Revisit the Poll Worker Positions...

Judge of Elections, Majority Inspector, and Minority Inspector - Elected position.

Clerk and Machine Inspector - Appointed.

Details can be found at: <https://www.vote.pa.gov/Resources/Pages/Be-a-Poll-Worker.aspx>

Then What is a Poll Watcher?

Poll Watcher - must receive official county credentials in advance.

Details can be found at: <https://www.vote.pa.gov/Your-Rights/Pages/Poll-Watchers.aspx>

So now you want to get involved...

At an upcoming club meeting, we will review the information from the vote.pa.gov website. Then we will help to place those persons interested in a specific position at a polling place. In the meantime, research what position is best for you. We want everyone to have a clear understanding of these positions, and of our ability to get you placed. There is no guarantee that we can place everyone.
