Scott Pressler with our action oriented community.

Committee, Club, Community

Like it or not, until Act 77 is repealed, we need to embrace and promote mail-in ballots. Thanks to our club and community, we were able to have Scott Presler energize us to get everyone onboard.

We also had Athan Koutsouroumbas at our recent club meeting. There were many spirited discussions about the security of the mail-in ballot.

As a committee and club, we staffed many polling places with workers, watchers and greeters. We had people on the inside to watch the counting of ballots. We had people monitoring the drop boxes and even riding in the ballot pick up vehicles! This is how we have supported our community and why we feel comfortable with the security of mail-in ballots in Bucks County.

Jarrett Coleman at ribbon cutting ceremony.

Senator Coleman

At the Town Hall meeting last week, the community gathered to meet and chat with Senator Coleman. The Election Integrity Committee was able to get contact information and will reach out to his team with questions on PA Election Law Advisory Board. We will continue to foster this relationship.
