## After Watching '2000 Mules,' Sheriff Launches Voter Fraud National Hotline

Sheriff Mark Lamb has started a new initiative, called ProtectAmerica.vote. The goal is to “equip sheriffs, educate citizens, and protect our elections.” It will also create a national hotline for citizens to report election irregularities directly to their local sheriffs.

Between the Club and the EI Committee, we hope to meet with our local sheriff to see how we can work together to secure our elections.

# Election Heroes Are Stopping Fraudulent Voting...Right Now

**This article is from American Thinker...**

...and it is loaded with information. HERE IS THE SOURCE

Cleaning the voter rolls is one of our action items (iv3.us link on next page).

True story from a Poll Worker in Bucks County at the 2022 primary.

A couple came in to vote and when they signed the book, they noticed their son was registered at their address - an address where he's never lived. Anyone hearing this could have used his name and voted. With over 9,000 polling places in PA, even if there is only one bad entry at each, that's 9,000 votes that could be fraudulent. This is why clean voter rolls is so important and True The Vote (IV3) is making it so easy for us to do it. Join the fight!

Choices have consequences, as we well know. You can choose to believe that God has a plan and we can sit back and trust that everything will be ok. Or, you can choose to believe that God has a plan and we are a big part of that plan. If you choose the latter, please think about doing just one thing that you feel you can handle. Whether it be helping to clean the voter rolls, being a poll watcher, worker, or handing out literature on election day. Maybe you'd like to work on the campaign of a candidate. Our club has active phone banking and door knocking, if that interests you. If we each choose to do just one thing, we can make a change.

"I have said these things to you, that in me you may have peace. In the world you will have tribulation. But take heart; I have overcome the world." **John 16:33**

## Following up...

A big thank you to David Strouse for sharing his deeply emotional story with us. David also shares important history lessons with his Perkasio Rocks program. This kind of information needs to be passed onto our younger generations, so they will understand why we fight to uphold our freedoms.

## Sign up process for [iv3.us](https://iv3.us)...

Just an FYI - if you choose to sign up for [iv3.us](https://iv3.us), which is voter roll clean up, it is a multi-step process.

Once you sign up you'll get an email thanking you for your interest in the IV3! They need to confirm your voter registration information - a government ID. Then you will complete the Signup. Once they make sure your registration is active, they send another email with next steps. The next email says your account has been set up! And lastly, they will provide your user name and password. You are ready to begin the citizen-led election integrity!
