

Homesteading in Upper Bucks

What: Learn the basic skills of Homesteading; living self sustainably and meeting and sharing traditional skills with others in the Upper Bucks community.

When: Fourth Monday of the month at 7 pm (additional dates will be added as speakers become available)

Where: Haycock Twp. Community Center, 1014 Old Bethlehem Rd, Quakertown

Cost: Free (some classes may have small fees for supplies if you choose to "make and take" at the class)

2025 Tentative Schedule

January 27 / Herbal medicines for your health - Dar Khabbaz

February 24 / **Discover the Power of Fermented Foods!**

Join us for a fun and informative workshop on the benefits of **fermented foods!** Learn how to make your own **sauerkraut, sourdough, kombucha, keifer and more** while discovering how these probiotic-rich foods can improve digestion, boost immunity, and enhance overall wellness.
