Jacqueline Breger accused multiple statewide and county officials, including Governor Katie Hobbs and Secretary of State Adrian Fontes, of racketeering connected to the Sinaloa Cartel.

Principal Researcher:

- Jackie Berger works with the law office of Harris Baylor and has worked on fraud claims reporting in multiple states across the US in conjunction with law enforcement organizations for nearly 30 years – specific states include Illinois, Idaho, Iowa, California, and New Mexico, just to name a few.

In a 40-minute presentation titled (Preliminary findings of activities impacting election integrity) by Jacqueline Breger, an insurance agent from Scottsdale, who she said was an attorney with a background in fraud investigations who submitted a report written by John Thaler. It seems the women Thaler accused of facilitating the fraud were his ex-wife Brittany Ray Chavez and her mother Adona Ray Chavez. A federal judge last year dismissed one of his lawsuits. In a separate but strikingly familiar case to threats against Karie Lake, Thaler alleges On September 19, 2020, McKinley Harris Thaler, nearly three-years-old, was abducted. The abduction was intended to extort his dad into terminating a multistate investigation concerning money laundering and public corruption. To date, neither McKinley's dad nor dad's family members have seen McKinley or received any communication from him. Dad does not know where his son is.

- Background:

-2006 Illinois, Idaho, Indiana US attorneys office investigated drug laundering through single family homes. In 2014 Breger was asked to review case files in arizona with \$ going to Panama, trustees - money laundering & racketeering

Warren Petersen, the Senate president, said he agreed to allow last week's controversial hearing at the request of Harris and Toma, adding that Majority Leader Sonny Borrelli asked to review materials before they were presented but was not shown the bribery allegations, had he known about the report, he would not have allowed it to be included," Petersen said in a statement. House Speaker Ben Toma and Senate President Warren Petersen (R) are claiming irresponsible and bad judgment for Rep Liz Harris to invite a person to present unsubstantiated and defamatory allegations in a legislative forum. Senator Wendy Rogers: "To our knowledge, none of the people named had charges filed, have prosecutions pending, nor had any convictions made against them,"

Arizona Republicans Disavow Wide-Ranging Bribery Allegation

Arizona Republican legislative leaders are racing to distance themselves from a presentation accusing a wide range of politicians, judges and government officials of taking bribes from a Mexican drug cartel

Under Mark Brnovich, a Republican who left office in January, a 10,000-hour review did not see the light of day. His Democratic successor, Kris Mayes, released investigators' findings. Mark Brnovich, a Republican who served as Arizona's attorney general until January, buried the findings of a 10,000-hour review by his office that found no evidence of widespread voter fraud in the 2020 election, newly released documents reveal.

- Gail Golec, who unsuccessfully ran for Maricopa County Supervisor last year, and 10 other Arizonans filed a complaint with Arizona Secretary of State (AZSOS) Adrian Fontes last month alleging violations of the Help America Vote Act (HAVA) during last year's midterm election, but the office rejected it. The complaint followed the procedures laid out in federal statutes,
