

A Trailblazing Story

January, Maria, and “Shhh a Treasure Kept Deep within our Hearts” met as Kappa Sweethearts at Cheyney University. While helping the men of Kappa Alpha Psi Fraternity, Inc. Gamma Omega Chapter, they wanted to start something of their own. With determination and the knowledge to do so they created Lambda Kappa Omega Sorority, Inc. The sorority was created December 5, 2007 in Philadelphia, PA. By creating their own sorority they still wanted to take some of the values they learned and apply how they saw fit. There’s an ode to the fraternity that is embedded in our history.

While creating they found themselves tired, but there were no chances to make excuses. They continued to put themselves out there when people were not thinking of making their own sororities, or fraternities outside a collegiate level. That is what made them want to be trailblazers, hearing people speak of how they wanted to join a sorority or fraternity, but weren’t able due to unforeseeable situations.

In 2015 they decided to take that jump and in Spring 6 girls crossed and in Fall 2 women crossed. They wanted to keep their probate look so a few things were embedded in the probate attire. That was all the momentum they needed to keep this trail BLAZING! Now we have grown to have chapters throughout the United States. As of 2026 we have chapters starting with BETA!!

Now I want to test your knowledge. The previous paragraph may help you..we shall see.

1. Name the founders.
2. Where did the founders meet?
3. How did the founders come up with the name of the Youth Sorority?
4. What is the importance of 2577, and where did it come from?
5. What spell tells you how to properly wear your nails?
6. Can you name 3 items we use in our probate attire, that we kept from the fraternity?

Please return to the National Vice President, when you completed.
