

The Oath

The spark in the night
From dusk to light
That guides and covers my soul
From brow to toe to guide my every step
I pledge my LOYALTY to LAMBDA

My gratitude unmeasured
To all of the virtuous treasure
Bestowed to me on my path
I pledge my KINDNESS to KAPPA

Oh sweet it must be
To conclude this journey
I pledge my OPTIMISM to OMEGA

My protector. My solace.
These items shall meet
I will not rest
Until this task is complete.
