Objective

As a designer, I am focused on blending creativity with technology to craft engaging visual stories. I enjoy exploring new tools and techniques to push the boundaries of design while keeping elements meaningful and relatable. Each project invites viewers to connect and interact, reflecting my belief that design should promote conversation and spark emotion. This is a journey I am excited to share, as it demonstrates my love for constructing memorable experiences.

Experience

SOCIAL MEDIA MARKETING INTERN

Q Jewelry and Gifts Mitchell, SD September 2025 - Present
