

LICE EXPERT PAM SKINNER

I am so happy you are here! I opened my head lice treatment salon, Picky Pam at the Beach, in 2012. It has been an AMAZING EXPERIENCE! I have met thousands of incredible moms (and dads, but mostly moms), who were desperate, embarrassed, confused…very stressed, to say the least. It is a joy and a privilege to help them all.

So, you are here because you are considering opening your own mobile lice business. The reason I believe my Online Bootcamp is the best way to start your business is because:

-We teach you our exact proven protocol that got us over 400+ Five Star YELP reviews.
-We give you the Start-Up Manual - all the BUSINESS ADVICE I WISH I had when I started in 2012.
-I am here to mentor/coach you (online) with any issues or challenges you have. (It's SO MUCH MORE than just learning the "skill" of treating lice.
-You will be part of a private online group to post any questions or issues that come up (private, for my bootcamp students only!)

Thank you so much for taking your precious time to look into our School of Lice Online Bootcamp and our Coco Loco Natural Lice Treatment Product Line!
