

# ANSWERS TO COMMON LICE QUESTIONS

1

## Everyone who gets lice itches

FALSE: If you are in the 50% of population who doesn't have the allergy to bug's saliva...you feel NOTHING

2

## Pets cannot spread lice

TRUE: Lice cannot live on pets. Lice are "species specific" and only feed on human blood.

3

## Lice = clean everything

FALSE: Lice die in 24 hours. Eggs don't hatch off the scalp. Put pillow cases and bath towels in the dryer for 30 minutes

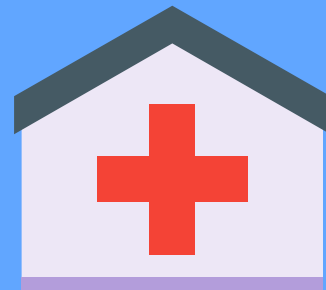

5

## Buzz cut and be done

FALSE: A buzz cut is not a good thing to do. Eggs are within 1/4 inch of scalp and hair may be too short to comb off eggs.

4

## Drug Store Shampoos don't work

TRUE: Lice are resistant to chemicals in OTC shampoos. Use a natural enzyme shampoo like SuperLice Solutions to kill hatched lice.
