Appointment Policy

We expect you to keep all your appointments. Write down the time of your visits. With the exception of serious emergencies it is expected that you keep all your appointments.

If you re-schedule an appointment we require a minimum **24 hours notice**. In such a case, please call our office at (586)372-3500 and arrange for a make-up appointment. If we are able, we will reschedule for the same week. When canceling without 24 hours notice or no-show to a scheduled appointment, we reserve the right to charge your card on fill or bill you a fee \$75.00 for all appointment types with exception of physical, in which case the fee will be \$100.00. In instances of repeated non-compliance with your scheduled visits, we also reserve the right to discontinue care due to non-compliance with our treatment plans.

MEDICARE & FUTURE MEDICARE PATIENTS READ THIS: Medicare does NOT have a "free" physical. In an effort to provide this type visit, we will schedule comprehensive exams (typically 99215 or 99205), when appropriate. These visits are subject to copays and deductibles. The "free" visit that people confuse with their physical is actually a Medicare Wellness Visit. These visits are also know as Welcome to Medicare Preventative Visit - G0402 (done no later than the first 12 months after Part B coverage was eligible), Annual Wellness Health Risk Assessment - G0438, and Subsequent Annual Wellness Visit - G0439. The Medicare wellness visit does not include a physical examination it is designed for health screening/preventative medicine and consists almost entirely of questions. Other doctors you have seen may have completed this differently. This is without exception how we provide this service.

Office Visit Charges Notice of Responsibility at Time of Service

1) For All Patients:

Because of the changes associated with the Affordable Care Act, beginning in 2014, most patients will be responsible for significant portions of their healthcare costs as out of pocket expenses. As a consequence, Gregory E. Gould, D.O., P.C. has determined that it is necessary to collect deductibles, co-pays, and co-insurances at the time of service for any patient seeing a healthcare provider for which such patient expenses are customary. Please be aware that when calculating such expenses, we err on the side of caution on your behalf, so balances will be calculated for patients with deductibles and co-insurance for only the office visit portion of the charges and not for any in office labs or procedures.

2) For HMO Patients or Future HMO Patients: (For example Blue Care Network)

Normally my HMO insurance requires that I be assigned to a Primary Care Physician (PCP) prior to my insurance coverage being engaged for office visit coverage at a PCP's office. If I have chosen to postpone my assignment to one of the Gregory E. Gould, D.O., P.C. medical practitioners as my PCP until after I complete my initial office visit I accept responsibility for any and all charges associated with my office visit in the event that I decide not to assign a Gregory E. Gould, D.O., P.C. physician as my PCP office.

I,, have read this	patient information sheet and acknowledge that the requirement of
this form and my acceptance of responsibility for office visit cha	rges is standard practice for my insurance in cases such as
this. I also agree the office Appointment Policy.
