

ROAD TO THE RETIRED RACEHORSE PROJECT THOROUGHBRED MAKEOVER 2023

MISSION

Our unique team of junior USPC Pony Club members and adult professional trainers will work together to retrain and compete our talented candidates. Our goal is to retrain retired racehorses for their second careers through our partnership between No Guts No Glory Farm and Talbot Run Equestrian Center. We believe OTTBs are capable of anything and our diverse team of trainers plans to show off the breed's versatility at the Retired Racehorse Project's Thoroughbred Makeover competition.

Belfour, Seany P, and Little Bold Bandit the day they arrived at Talbot Run, December 26th 2022

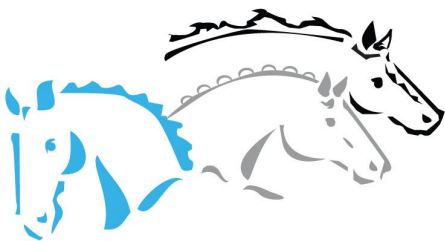

SECOND CAREERS

Our team of trainers brings a wide variety of experience in different horse sports. We are planning to compete the horses in Dressage, Eventing, Show Jumping, Polo, Competitive Trail, Freestyle, and Show Hunters. After the Thoroughbred Makeover some of the horses will have the skills to teach future generations of riders by becoming lesson horses for the unique educational program at Talbot Run Equestrian Center.

THE HORSES

All of our horses are Maryland born and were owned, trained, and raced by No Guts No Glory Farm and trainers Gina and Jerry Robb.
