

**True Believer**  
**Non-Denominational**  
**Body of Christ**

**Beliefs:**

1. We Believe in the one True and living GOD & that a Godhead does exist consisting of: YAHWEH (GOD), Yeshua (Jesus) & The Holy Spirit.
2. We believe that Yeshua is YAHWEH'S only begotten son who was sent to earth as our Savior to die for our sins.
3. We believe that YAHWEH resurrected Yeshua from the dead who then ascended back to Heaven.
4. We believe that the Bible was written by inspiration from YAHWEH and that it does contain HIS word.
5. We believe that the Bible is NOT the only Word of GOD and that there are other "lost" or "removed" books that were inspired as

well (Some are even referenced in the Bible).

6. We believe in teaching the actual meaning of Biblical passages by referring to its original context, whether it is contrary to religious traditions or not.

7. We believe in tithing 10 percent as it is outlined in both the old and new testaments.

8. We believe in actually applying the WORD of GOD and what we've learned into our everyday lives through current real world applications.

9. We believe that denominations are all man made and cause division and traditionalism within The Body of Christ.

10. We believe that following YAHWEH'S Will and living by HIS Biblical guidelines to the best of our ability, leads to our eternal Holy Inheritance of the Kingdom of Heaven.
