-------------------	---

General:

1. Due to health reasons one of our house managers did have to leave early so we did have to hold opening house for about 5 minutes to ensure we had a fully staffed front of house team for this performance, thank you to [REDACTED] for stepping in at the last minute!
2. We had a couple of actors who weren't feeling well before and during the show but we were able to get them both the attention they needed before and during the show to ensure they were taken care of and we were able to safely continue on with the show

Sound:
1. During the Telenovela scene we had a com system mix up which threw off two of the piano sting sound effects but we have addressed the mix up and will be sure to avoid that mix up in the future
Costumes/Hair/Makeup:
1. The band on [REDACTED] crown fell off during fight call and didn't fully have time to cure before the show so had him use [REDACTED] crown for the Dream Sequence and fight sequences to ensure it was safely secured on his head but we should have [REDACTED] crown ready to go for the show tomorrow!
