“Top Players”

Reginald Chapman

Reggie Chapman Reigns Supreme Again

In a performance that has become almost routine in its brilliance, Reggie Chapman once again claimed Grand Life Master Player of the ABA 2025 Summer National Bridge Tournament. Reggie amassed more than 400 master points and solidified his reputation as one of the most formidable players in the game.

Reggie's signature calm under pressure and strategic precision, were on full display throughout the ABA Summer National 2025 Tournament. Whether navigating complex bidding sequences or executing flawless defensive plays, his mastery of the game continues to inspire both seasoned players and newcomers alike. This win adds yet another feather to Reggie's already crowded cap.

“Reggie doesn't just play bridge—he elevates it,”

As always, Reggie continues to thank his partners and teammates, Mae Clark, Harold Singleton, Helene Bauman, and Jim Wakefield for their continued support.

Congratulations Reggie. You do us all proud.
